---

**PURPOSE:**

The District Board will hold a public hearing to receive comments on the property tax levy and final budget for the fiscal year 2027 (FY2027). This item is for discussion only; no action is required.

**BACKGROUND:**

The tentative budget for the Alamar Community Facilities District was adopted on May 4, 2026. A public hearing must be held before final adoption of the budget and notice of the public hearing must be published at least 10 days in advance of the public hearing. The public notice was published in the May 9 edition of the Southwest Valley Republic, as required by A.R.S. 48-716. The final budget must be approved before October 1, per A.R.S. 48-716.

**DISCUSSION:**

The FY2027 budget will set the expenditure limit for the district. Community facility districts may levy secondary property taxes to pay general obligation debt incurred by the district and to pay for the operation and maintenance expenses of the district. Per A.R.S. 48-723 the secondary property tax attributable to the repayment of general obligation debt is \$3.85 per one-hundred dollars of assessed valuation and the property tax levy attributable to fund operation and maintenance expense of the district is limited to thirty cents (\$0.30) per one-hundred dollars of assessed valuation. Based on the net assessed valuation of the district, the combined rate of \$4.15 per \$100 of assessed value will raise \$1,192,886 in revenue.

The recommended expenditure limit for the district is \$6,186,300. Any expenses not covered by the property tax levy or general obligation bonds will need to be covered through developer contributions. Neither the property tax levy nor the expenditure limit has changed between the approved tentative budget and the final budget.

**BUDGET IMPACT:**

The public hearing is a required step in adopting the FY2027 budget for the Alamar CFD.

**RECOMMENDATION:**

Staff recommends the District Board hold a public hearing to receive public comment on the final budget and tax levy for FY2027.

**SUBJECT:** Public Hearing and CFD Resolution 2-2026 - Authorizing and Ratifying the Giving of Notice of Hearing with Respect to Approving a Feasibility Report which includes identifying the public infrastructure of the projects, the areas to be benefited, the expected method of financing and the system of providing revenues to operate and maintain the projects, all as provided in such report; approving such report; authorizing the sale and issuance of not to exceed \$4,000,000 aggregate principal amount of General Obligation Bonds, Series 2026 of the District, prescribing certain terms and conditions of such bonds including making certain findings, certifications and covenants with respect to such bonds; approving the form and authorizing the execution and delivery of a series 2026 bond registrar and paying agent agreement, a bond purchase agreement, a series 2026 continuing disclosure undertaking and certain other documents relating to such bonds; awarding such bonds to the purchaser thereof; delegating the determination of certain terms of such bonds and matters related thereto to the District Manager and the District Treasurer; approving a preliminary official statement relating to such bonds; authorizing the preparation of a final official statement relating to such bonds and authorizing the subsequent levying of an *Ad Valorem* property tax with respect to such bonds.

**MEETING DATE:** 6/1/2026

---

**TO:** Board Members

**FROM:** Renee Weatherless, District Treasurer

**THROUGH:** Ron Corbin, District Manager, (623) 333-1011

**REVIEWED:** Ron Corbin, District Manager, (623) 333-1011

---

**PURPOSE:**

The Board will: (a) conduct a public hearing on a Feasibility Report for projects, the construction of which is to be financed with proceeds of the sale of general obligation bonds; (b) consider a request to adopt CFD Resolution 2-2026; authorizing and ratifying the giving of Notice of Hearing with respect to approving a Feasibility Report and approving such Feasibility Report, authorizing all matters necessary to sell and issue General Obligation Bonds for the Alamar Community Facilities District not to exceed \$4,000,000 in aggregate principal; and (c) authorize the District Manager and District Treasurer to determine certain matters related thereto. The Board will take appropriate action.

**BACKGROUND:**

On October 15, 2018 the District adopted Resolution No. 1-2018 to establish the procedures to hold an election to approve the issuance of general obligation bonds. After the election was held on November 13, 2018, the Board adopted Resolution No. 2-2018 to certify the results of the election where the majority of qualified electors voted "Yes" that the Bonds in up to and including \$70,000,000, aggregate principal amount are therefore authorized to be sold and issued over a series of years as development progress continues.

The proposed issuance will provide funds for public infrastructure improvements plus all costs related to the

sale and issuance of the third series of bonds. It is anticipated that general obligation bonds will be issued in series over time when the secondary assessed value of the property within the district is sufficient to support the bond debt service at the target tax rate of \$3.85 per \$100 of net assessed limited property valuation within the District. Property taxes attributable to fund operation and maintenance expenses of the district are limited to thirty cents (\$0.30) per one-hundred dollars of assessed valuation for a maximum rate of \$4.15 per \$100 of net assessed limited property valuation within the District.

Pursuant to Section 48-715, Arizona Revised Statutes and the Organizational Resolution, the District Board has caused a report of the feasibility and benefits of certain projects relating to public infrastructure provided for in the General Plan and to be financed with proceeds of the sale of a third series of Bonds to be prepared.

The report includes a description of certain public infrastructure to be acquired and all other information useful to understand the projects to be acquired with the proceeds of the sale of the fourth Series of the Bonds. It includes a map showing the general location of the projects, an estimate of the cost to construct, acquire, operate and maintain such projects, an estimated schedule for completion of such projects, a map or description of the area to be benefited by such projects and a plan for financing such projects.

The projects and expected bond funds to be used that were identified in the report are as follows:

- Bond funds of approximately \$4 million will be applied to infrastructure improvements on CFD Phase 4, Offsite infrastructure on Alamar Blvd, Alamar Ln, Dysart Road, and NH Park, among various others.

Interest rates will be determined based on the final credit rating and market conditions at the time of sale. The City will work closely with its Financial Advisor in connection with the sale and the establishment of the final interest rates.

#### **DISCUSSION:**

The Resolution will authorize and ratify the giving of notice of hearing with respect to approving the Feasibility Report and approve such Feasibility Report. The Resolution will also authorize this of the Bonds to be issued as a series of general obligation bonds of the District to be designated "General Obligation Bonds, Series 2026", the execution of necessary agreements and documents, and a levy of secondary property taxes for each year the bonds are outstanding for the payment of the bonds. The Resolution also prescribes certain terms and provisions, including the authorization of the District Treasurer, the District Clerk, and other officers of the District to:

- Cause the District to acquire public infrastructure described in the General Plan, which is the subject of the Feasibility Report.
- Authorize the execution and delivery of a Series 2026 Bond Registrar and Paying Agent Agreement and the appointment of the Bond Registrar and Paying Agent.
- Approve the Bond Purchase Agreement with the Underwriter.
- Approve the form of the Preliminary Official Statement and the Official Statement.
- Ratify all actions taken with respect to the preparation and distribution of the Preliminary Official Statement.
- Approve the Continuing Disclosure Undertaking.
- Establish policies and procedures to ensure compliance with the applicable provisions of the Internal Revenue Code of 1986 to ensure that Tax-Exempt Obligations issued by the District comply with the provisions of the Code and regulations thereunder.
- Authorize and ratify all actions taken to further this Resolution.
- Authorize the subsequent levying of an Ad Valorem Property Tax with respect to the bonds.

#### **BUDGET IMPACT:**

The District will levy secondary property taxes to pay the general obligation principal and interest for this issuance. The Municipality will have no obligation of repayment of the bonds.

**RECOMMENDATION:**

Staff recommends the District Board of Directors adopt a CFD Resolution, authorizing and ratifying the giving of notice of hearing with respect to approving the Feasibility Report, approving the Feasibility Report, authorizing the sale and issuance of not to exceed \$4,000,000 in principal amount of General Obligation Bonds, Series 2026 of the District; prescribing certain terms and conditions of such bonds including making certain findings, certifications and covenants with respect to such bonds; delegating the determination of certain terms of such bonds and matters related thereto to the District Manager and District Treasurer and authorizing the subsequent levying of an Ad Valorem property tax with respect to such bonds.

## **INTRODUCTION**

This Feasibility Report (this “Report”) has been prepared for presentation to the Board of Directors (the “Board”) of Alamar Community Facilities District (the “District”) in connection with the proposed issuance by the District of its General Obligation Bonds, Series 2026 (the “Bonds”) in a principal amount of not to exceed \$4,000,000 pursuant to the Community Facilities District Act of 1988, Title 48, Chapter 4, Article 6, Arizona Revised Statutes, as amended (the “Act”), specifically in accordance with the provisions of Section 48-715, Arizona Revised Statutes with respect to the feasibility and benefits of certain “public infrastructure” (as defined in Section 48-701, Arizona Revised Statutes) described herein (the “Public Infrastructure”) and the plan for financing the costs of the Public Infrastructure with proceeds of the sale of the Bonds. The District is authorized to issue up to \$70,000,000 in principal amount of general obligation bonds. After the sale of the Bonds, the District will have not less than \$53,629,021 of remaining authorization.

The District, the City of Avondale, Arizona (the “City”), Brookfield Lakin LLC (the “Developer”), Brookfield Communities US Holdings LLC and North America Sekisui House, LLC have entered into a District Development, Financing Participation, Waiver and Intergovernmental Agreement (Alamar Community Facilities District), dated as of October 1, 2018 (as amended to date, the “Development Agreement”), which provides for the financing of the costs of certain portions of the Public Infrastructure necessary for the development of “Alamar”, a master planned, mixed use development (the “Project”), being developed by the Developer.

### **PURPOSE OF FEASIBILITY REPORT**

Pursuant to the Act, this Report includes (i) a description of the Public Infrastructure to be acquired and an estimate of the costs to construct, acquire, operate and maintain the Public Infrastructure [Section Two]; (ii) maps showing, in general, the location of the Public Infrastructure and the area to be benefited by the Public Infrastructure [Section Three]; (iii) an estimated schedule for the completion of the Public Infrastructure [Section Four]; and (iv) a plan for financing the Public Infrastructure [Section Five].

This Report has been prepared for the Board’s exclusive consideration. It is not intended or anticipated that this Report will be relied upon by other persons, including, but not limited to, purchasers of the Bonds. This Report does not attempt to address the quality of the Bonds as investments or the likelihood of repayment of the Bonds. In preparing this Report, advisors, appraisers, counsel, engineers, staff of the District and other experts have been consulted as deemed appropriate.

### **GENERAL DESCRIPTION OF DISTRICT**

The City approved formation of the District on May 21, 2018, upon the petition of the then-owners of all real property in the District. The District is located within the limits of the City and comprises approximately 1,086 acres that will include approximately 4,036 single-family homes at build-out of the Project and approximately 21 acres for a K-8 elementary school site.

The District was created to finance and acquire a portion of Public Infrastructure within the District that is part of the Project. A map of the location of the Project within the City is included in Section Three of this Report. A legal description of the property within the District is included as Appendix A to this Report.

As of April 30, 2026, the Developer has spent approximately \$22 million to construct and install water, sewer, streets, curbs, gutters, and other public facilities at the Project, including approximately 4.0 miles of collector or arterial roads; and approximately \$18 million on numerous community amenities, including approximately 46 acres of parks with sports courts, playgrounds and ramadas within the

community. The Developer is currently engineering approximately 1.5 additional miles of collector and arterial roads with all utilities installed at an estimated cost of approximately \$19.5 million.

Home closings within the Project are set forth below. As of April 26, 2026, there were 53 homes under construction. From January 1, 2026 through April 26, 2026, the price range on home closings was from \$379,990 to \$724,738.

**SECTION FIVE**  
**PLAN OF FINANCE**

---

## PLAN OF FINANCE

The Bonds represent the fifth sale of general obligation bonds for the District; \$15,979.52 aggregate principal amount of bonds were issued on September 9, 2021, \$3,675,000 aggregate principal amount of bonds were issued on July 14, 2022, \$2,955,000 aggregate principal amount of bonds were issued on July 13, 2023, and \$5,725,000 aggregate principal amount of bonds were issued on June 17, 2025. At an election held on November 13, 2018, the District received authority to issue \$70,000,000 of general obligation bonds. After the sale of the Bonds, the District will have not less than \$53,629,021 of remaining authorization.

The District will issue the Bonds in a principal amount of not to exceed \$4,000,000 to acquire certain of the Public Infrastructure shown in Section Two. This is a not-to-exceed amount and the actual amount of Bonds issued may be lower.

It is anticipated that the Bonds will be issued on or around June 30, 2026. It is currently estimated that the Bonds will have a final maturity of approximately 25-years and be structured such that the aggregate debt service of the District is approximately level.

Given the estimated net limited assessed property value of taxable property in the District for fiscal year 2026-27, the targeted secondary tax rate associated with the debt service on the Bonds is expected to be set at \$3.85 per \$100 of net limited assessed property valuation (not including the \$0.30 per \$100 of net limited assessed property valuation tax levy for operation and maintenance described in Section 2), for a total of \$4.15 per \$100 of net limited assessed property valuation. Notwithstanding the foregoing, any general obligation bonds of the District are, by law, to be paid from a property tax that is unlimited as to rate and amount.

The estimated sources and uses of funds related to the sale of the Bonds are shown below:

**Estimated Sources:**

Principal of General Obligation Bonds, Series 2026	\$3,820,000.00
Total	\$3,820,000.00

**Estimated Uses:**

Cost of Public Infrastructure	\$3,503,663.61
Underwriting Fee (a)	51,740.00
Costs of Issuance	238,129.50
Bond Insurance	26,466.89
Total	\$3,820,000.00

(a) Includes estimated fee for Underwriter’s Counsel.

At the \$3.85 tax rate level, assuming an average \$400,000 home price and certain assumptions related to the County Assessor’s methodology, the District portion of a tax bill for a homeowner is approximately \$77 per month or \$924 annually. Section 32-2181 et seq., Arizona Revised Statutes requires the disclosure of all property taxes to be paid by a homeowner in the Subdivision Public Report. Prior to each initial home sale by a homebuilder, each homebuyer must be supplied a Subdivision Public Report, and the homebuyer must acknowledge by signature that they have read and accepted the Subdivision Public Report. In addition, each homebuyer will receive a form detailing the existence of the District, the tax rate and its financial impact and receipt of this form will be acknowledged in writing by the homebuyer, and a signed copy will be kept on file with the City Clerk.

**RATING: See “RATING” herein.**

**INSURANCE: See “BOND INSURANCE” AND “RISK FACTORS RELATED TO BOND INSURANCE” herein.**

*In the opinion of Greenberg Traurig, LLP, Bond Counsel, assuming the accuracy of certain representations and certifications and the continuing compliance with certain tax covenants, under existing statutes, regulations, rulings and court decisions, interest on the Bonds will be excludable from gross income for federal income tax purposes. Further, interest on the Bonds will not be an item of tax preference for purposes of the federal alternative minimum tax imposed on individuals but in the case of the alternative minimum tax imposed by Section 55(b)(2) of the Internal Revenue Code of 1986, as amended (the “Code”), on applicable corporations (as defined in Section 59(k) of the Code), interest on the Bonds is not excluded from the determination of adjusted financial statement income. See “TAX EXEMPTION” herein for a description of certain other federal tax consequences of ownership of the Bonds. Bond Counsel is further of the opinion that interest on the Bonds will be exempt from income taxation under the laws of the State of Arizona.*

*The Bonds will be designated as “qualified tax-exempt obligations” for purposes of Section 265(b)(3) of the Code. See “QUALIFIED TAX-EXEMPT OBLIGATIONS” herein.*

The Alamar Community Facilities District (Avondale, Arizona) General Obligation Bonds, Series 2026 (the “Bonds”) are authorized pursuant to Title 48, Chapter 4, Article 6, Arizona Revised Statutes and an election held on November 13, 2018, in and for Alamar Community Facilities District (the “District”), a community facilities district formed within the boundaries of the City of Avondale, Arizona (the “City”), and will be issued pursuant to a resolution of the board of directors of the District. The Bonds will be payable as to both principal and interest from *ad valorem* taxes to be levied on all taxable property within the boundaries of the District, without limitation as to rate or amount. See “SECURITY FOR AND SOURCES OF PAYMENT OF THE BONDS” herein. Interest will accrue from the date of delivery and be payable on January 15, 2027\*, and on each July 15 and January 15 thereafter, until maturity or prior redemption.

The Bonds will be registered only in the name of Cede & Co., the nominee of The Depository Trust Company (“DTC”), for purposes of the book-entry only system described herein. Utilization of the book-entry-only system will affect the method and timing of payment of principal of and interest on the Bonds and the method of transfer of the Bonds. DTC will be responsible for distributing the principal and interest payments to the DTC Participants (as defined herein) which will, in turn, be responsible for distribution of such amounts to the beneficial owners of the Bonds (the “Beneficial Owners”). As they will be in book-entry-only form, purchasers will not receive definitive certificates with respect to the Bonds. Beneficial ownership interests in the Bonds may be purchased through the facilities of DTC in amounts of \$5,000 of principal due on a specific maturity date and integral multiples thereof. So long as any purchaser is the Beneficial Owner of a Bond, such purchaser must maintain an account with a broker or a dealer which is, or acts through, a DTC Participant to receive payment of principal of and interest on such Bond. See APPENDIX D – “BOOK-ENTRY-ONLY SYSTEM.”

**SEE BOND MATURITY SCHEDULE ON INSIDE FRONT COVER PAGE**

The Bonds will be subject to redemption by the District prior to maturity as described under “THE BONDS – Redemption Provisions” herein.

The scheduled payment of principal of and interest on the Bonds when due will be guaranteed under a municipal bond insurance policy to be issued concurrently with the delivery of the Bonds by [BOND INSURER].

Proceeds of the sale of the Bonds will be used to pay (i) costs of acquisition of certain public infrastructure benefiting the District and (ii) costs of issuance relating to the Bonds.

**Investment in the Bonds involves certain risks that each prospective investor should consider prior to investing. See “SECURITY FOR AND SOURCES OF PAYMENT OF THE BONDS” and “RISK FACTORS” herein.**

**NEITHER THE FULL FAITH AND CREDIT NOR THE GENERAL TAXING POWER OF THE CITY, THE STATE OF ARIZONA (THE “STATE”) OR ANY POLITICAL SUBDIVISION THEREOF (OTHER THAN THE DISTRICT) WILL BE PLEDGED TO THE PAYMENT OF THE BONDS. THE BONDS WILL BE OBLIGATIONS OF THE DISTRICT ONLY. NONE OF THE CITY, THE STATE OR ANY POLITICAL SUBDIVISION THEREOF (OTHER THAN THE DISTRICT) WILL HAVE ANY OBLIGATION WITH RESPECT TO DEBT SERVICE FOR THE BONDS.**

This cover page contains certain information for general reference only. It is not a summary of the issue of which the Bonds are a part. Investors are advised to read this Official Statement in its entirety to obtain information essential to the making of an informed investment decision with respect to the Bonds.

*The Bonds will be offered when, as and if issued and subject to the approval of Greenberg Traurig, LLP, Phoenix, Arizona, Bond Counsel, as to validity and tax exemption. Certain matters will be passed upon for the Underwriter identified below by its counsel, Squire Patton Boggs (US) LLP, Phoenix, Arizona, and for Brookfield Lakin LLC by Barnes & Thornburg LLP, Phoenix, Arizona. It is expected that delivery of the Bonds in book-entry-only form will be made through the facilities of DTC on or about July \_\_, 2026\*.*

### **ALAMAR COMMUNITY FACILITIES DISTRICT (AVONDALE, ARIZONA) GENERAL OBLIGATION BONDS, SERIES 2026 (BANK QUALIFIED)**

#### INTRODUCTORY STATEMENT

This Official Statement, which includes the cover page, the inside front cover page and the appendices hereto, provides certain information concerning the issuance of Alamar Community Facilities District (Avondale, Arizona) General Obligation Bonds, Series 2026 (the “Bonds”), in the aggregate principal amount of \$3,820,000\*.

The Community Facilities District Act of 1988, constituting Title 48, Chapter 4, Article 6, Arizona Revised Statutes (the “Enabling Act”), was enacted to provide a method of financing (including through the issuance by the District (as defined herein) of general obligation bonds) certain “public infrastructure purposes” (as such term is defined in the Enabling Act) relating to a community facilities district. As provided by, and with the limitations set forth in, the Enabling Act, once formed, a community facilities district is a legally constituted municipal corporation and political subdivision within defined boundaries.

Pursuant to the Enabling Act and in response to a petition by all of the then owners of land therein, the Council (the “City Council”) of the City of Avondale, Arizona (the “City” or “Avondale”), formed Alamar Community Facilities District (the “District”) on May 21, 2018. (The District was originally formed under the name “Lakin Community Facilities District”. Subsequent actions were taken by the City Council and the board of directors of the District (the “Board”) to change that name to the current one.) The District encompasses approximately 1,086 acres (the “District Land”) located in the southern portion of the City. The City is located approximately 15 miles west of downtown Phoenix, Arizona (“Phoenix”) in the southwestern portion of the metropolitan Phoenix area and in the central portion of Maricopa County, Arizona (the “County”). See APPENDIX A – “INFORMATION REGARDING THE CITY OF AVONDALE, ARIZONA,” which includes certain information about the City and surrounding area, and, generally, the information on pages (vi) through (viii).

The District is a special purpose, tax levying public improvement district for certain constitutional purposes and a municipal corporation for certain other statutory purposes. The District has the power to implement the District’s general plan for public infrastructure primarily through the issuance of general obligation, special assessment or revenue bonds. See “SECURITY FOR AND SOURCES OF PAYMENT OF THE BONDS – *Ad valorem* Property Taxation in the District – Direct General Obligation Bonded Debt Outstanding and to be Outstanding” and “OVERLAPPING, ADDITIONAL AND ADDITIONAL OVERLAPPING INDEBTEDNESS.” (The District has no outstanding special assessment or revenue bonds and has no current plans to issue any.)

The City Council serves, *ex officio*, as the Board. Additionally, the Board has appointed the City Manager as the District Manager, the City Finance and Budget Director as the District Treasurer, the City Attorney as the District Counsel, and the City Clerk as the District Clerk.

See “LAND DEVELOPMENT – The Developer” for certain information about Brookfield Lakin LLC (the “Developer”), the entity which owns the remainder of the District Land being developed.

Pursuant to the results of the Election (as defined herein), the District has the authority to issue general obligation bonds in an aggregate principal amount of not to exceed \$70,000,000, in one or more series, payable from *ad valorem* taxes (without limitation as to rate or amount) levied on all taxable property within the boundaries of the District.

---

\* *Subject to change.*

The Bonds are being issued to finance a portion of the costs of acquiring certain public infrastructure within the boundaries of the District in the form of street and related improvements with respect to phase two of Broadway Road, El Mirage Road and Alamar Parkway (collectively, the “Public Infrastructure”). Please see TABLE 10 for a more complete description of the Public Infrastructure and certain other public infrastructure in the District.

Upon issuance of the Bonds and thereafter in each year, the Board will annually levy, and cause to be collected, an *ad valorem* tax, at the same time and in the same manner as other such taxes are levied and collected, on all taxable property in the District, sufficient to pay interest on and principal of the Bonds (“Debt Service”), as the same becomes due, whether at maturity or if applicable upon mandatory redemption. See “SECURITY FOR AND SOURCES OF PAYMENT OF THE BONDS – *Ad valorem* Property Taxation in the District” and “RISK FACTORS.”

In addition to the levy of *ad valorem* property taxes for the payment of Debt Service on the Bonds, pursuant to the results of the Election, the District also is authorized to levy and collect an *ad valorem* tax at a tax rate of not to exceed \$0.30 per \$100 of Net Limited Assessed Property Value (as defined herein) on all taxable property within the boundaries of the District for operation and maintenance expenses of the District (the “Operation and Maintenance Tax”). The District is currently levying and collecting the Operation and Maintenance Tax at a rate of \$0.30 per \$100 of Net Limited Assessed Property Value.

NEITHER THE FULL FAITH AND CREDIT NOR THE GENERAL TAXING POWER OF THE CITY, THE STATE OF ARIZONA (THE “STATE”), OR ANY POLITICAL SUBDIVISION THEREOF (OTHER THAN THE DISTRICT) WILL BE PLEDGED TO THE PAYMENT OF THE BONDS. THE BONDS WILL BE OBLIGATIONS OF THE DISTRICT ONLY. NONE OF THE CITY, THE STATE OR ANY POLITICAL SUBDIVISION THEREOF (OTHER THAN THE DISTRICT) WILL HAVE ANY OBLIGATION WITH RESPECT TO DEBT SERVICE FOR THE BONDS.

## **THE BONDS**

### **Authorization and Purpose**

The Bonds are authorized pursuant to the Enabling Act and a vote of the owners of land in the District at a special bond election held in and for the District on November 13, 2018 (the “Election”), pursuant to which the District has been authorized to incur general obligation bonded indebtedness in an amount not to exceed \$70,000,000 in order to finance, among other things, the costs of public infrastructure purposes within the District, including incidental costs and the costs of issuing bonds, and will be issued pursuant to a resolution adopted by the Board on June 1, 2026 (the “Bond Resolution”). The Bonds represent the fifth series of bonds issued pursuant to the authorization approved at the Election, and, after issuance of the Bonds, \$53,809,021\* aggregate principal amount of bonds will remain authorized but unissued. See “SECURITY FOR AND SOURCES OF PAYMENT OF THE BONDS – *Ad valorem* Property Taxation in the District”, “ESTIMATED DEBT SERVICE REQUIREMENTS” and “OVERLAPPING, ADDITIONAL AND ADDITIONAL OVERLAPPING INDEBTEDNESS – Additional General Obligation Bonded Indebtedness of the District.” Additional amounts of general obligation bonds payable from the same source as the Bonds may be issued in the future pursuant to authority approved at the Election or at future elections held in and for the District.

### **Terms of the Bonds – Generally**

The Bonds will be dated as of the date of initial delivery and will be registered only in the name of Cede & Co., as nominee of The Depository Trust Company (“DTC”), under the book-entry-only system described herein (the “Book-Entry-Only System”). See APPENDIX D – “BOOK-ENTRY-ONLY SYSTEM.” The Bonds will mature on the dates and in the principal amounts and will bear interest at the rates set forth on the inside front cover page of this Official Statement. Beneficial ownership interests in the Bonds may be purchased in amounts of \$5,000 of principal due on a specific maturity date or integral multiples thereof. Interest on the Bonds will accrue from their dated date and be payable semiannually commencing on January 15, 2027\*, and on each July 15 and January 15 thereafter (each an “interest payment date”) until maturity or prior redemption. (The District has chosen the first day of the month of each interest payment date as the “record date” for the Bonds.)

---

\* *Subject to change.*

See "TAX EXEMPTION" herein for a discussion of the treatment of interest on the Bonds for federal or State income tax purposes.

**Bond Registrar and Paying Agent**

U.S. Bank Trust Company, National Association will serve as the initial bond registrar, transfer agent and paying agent (the "Bond Registrar and Paying Agent") for the Bonds. The District may change the Bond Registrar and Paying Agent without notice to or consent of the owners of the Bonds.

**Redemption Provisions\***

*Optional Redemption.* The Bonds maturing before or on July 15, 20\_\_, will not be subject to redemption prior to maturity. The Bonds maturing on or after July 15, 20\_\_, will be subject to redemption prior to maturity, at the option of the District, in whole or in part from maturities selected by the District on July 15, 20\_\_, or on any date thereafter, by the payment of a redemption price equal to the principal amount of each Bond redeemed, plus interest accrued to the date fixed for redemption but without a premium.

*Mandatory Redemption.* The Bonds maturing on July 15 of the following years (the "Term Bonds") will be subject to mandatory redemption and will be redeemed on July 15 of the respective years and in the principal amounts set forth below, by payment of the principal amount of each Bond redeemed, plus interest accrued to the date fixed for redemption, but without premium:

Term Bond Maturing July 15, 20\_\_ \*

Year	Principal Amount
20__	\$
20__	
20__	
20__ (maturity)	

Whenever Term Bonds are redeemed (other than pursuant to mandatory redemption) or are delivered to the Bond Registrar and Paying Agent for cancellation, the principal amount of the Term Bonds of such maturity so retired shall satisfy and be credited against the mandatory redemption requirements for such maturity on a pro rata basis, to the extent practicable provided, however, that each remaining mandatory payment shall be in an amount of at least \$5,000 of principal.

*Notice of Redemption.* Notices of redemption will be sent to DTC in the manner required by DTC not more than 60 nor less than 30 days prior to the date set for redemption. See APPENDIX D – "BOOK-ENTRY-ONLY SYSTEM." If moneys for the payment of the redemption price are not held by or on behalf of the Bond Registrar and Paying Agent prior to sending the notice of redemption, such redemption shall be conditional on such moneys being so held on or prior to the redemption date and if not so held by the redemption date the redemption shall be cancelled and be of no force and effect. The notice of redemption shall describe the conditional nature of the redemption.

*Effect of Redemption.* On the date designated for redemption, the Bonds or portions thereof to be redeemed will become and be due and payable at the redemption price for such Bonds or portions thereof, and, if moneys for payment of the redemption price are held in a separate account by the Bond Registrar and Paying Agent, interest on such Bonds or portions thereof to be redeemed will cease to accrue, such Bonds or portions thereof will cease to be entitled to any benefit or security under the Bond Resolution, the owners of such Bonds or portions thereof will have no rights in respect thereof except to receive payment of the redemption price thereof and such Bonds or portions thereof will be deemed paid and no longer outstanding.

Any amount included in a Bond subject to prior redemption may be redeemed in a denomination equal to or in excess of, but divisible by, \$5,000.

---

\* Subject to change.

## SECURITY FOR AND SOURCES OF PAYMENT OF THE BONDS

### General

The Board will annually levy, and cause to be collected, an *ad valorem* tax, at the same time and in the same manner as other such taxes are levied and collected, on all taxable property in the District, sufficient to pay Debt Service, whether at maturity or, if applicable, upon mandatory redemption. Amounts derived from the levy of such tax when collected constitute funds to pay Debt Service and will be kept separately from other funds of the District. With respect to such *ad valorem* property taxes, the Bonds will be payable from such taxes on the same basis as previously issued general obligation bonds of the District that are currently outstanding (the “Prior Bonds Outstanding”) as well as general obligation bonds and general obligation refunding bonds of the District that may be issued in the future.

Such Prior Bonds Outstanding, the Bonds and other general obligation or general obligation refunding bonds of the District hereafter issued will be payable on a parity basis with respect to the collection and application of such taxes, which will be allocated to each series of general obligation bonds in accordance with any debt service then due and, in any case, taking into account other funds held by the District for such payment. See “SECURITY FOR AND SOURCES OF PAYMENT OF THE BONDS – *Ad valorem* Property Taxation in the District – Direct General Obligation Bonded Debt Outstanding to be Outstanding” and “OVERLAPPING, ADDITIONAL AND ADDITIONAL OVERLAPPING INDEBTEDNESS – Additional General Obligation Bonded Indebtedness of the District.”

In addition to the levy of *ad valorem* property taxes for the payment of Debt Service on the Bonds, the Board also levies the Operation and Maintenance Tax. (The Operation and Maintenance Tax has been levied since fiscal year 2019/20.) See TABLE 2.

***Investment in the Bonds involves certain risks that each prospective investor should consider prior to investing. See “RISK FACTORS.”***

**NEITHER THE FULL FAITH AND CREDIT NOR THE GENERAL TAXING POWER OF THE CITY, THE STATE OR ANY POLITICAL SUBDIVISION THEREOF (OTHER THAN THE DISTRICT) WILL BE PLEDGED TO THE PAYMENT OF THE BONDS. THE BONDS WILL BE OBLIGATIONS OF THE DISTRICT ONLY. NONE OF THE CITY, THE STATE OR ANY POLITICAL SUBDIVISION THEREOF (OTHER THAN THE DISTRICT) WILL HAVE ANY OBLIGATION WITH RESPECT TO DEBT SERVICE FOR THE BONDS.**

### Defeasance

Pursuant to the Bond Resolution, payment of all or any part of the Bonds may be provided for by the irrevocable deposit, in trust, of moneys or obligations issued or guaranteed by the United States of America (“Defeasance Obligations”) or both, which, with the maturing principal of and interest on such Defeasance Obligations, if any, will be sufficient, as evidenced by a certificate or report of an accountant, to pay when due the principal or redemption price of and interest on such Bonds. If the maturing principal on the Defeasance Obligations or other moneys, or both, is sufficient to pay the principal of, premium, if any, and interest on such Bond or portion thereof as the same matures, comes due or becomes payable upon prior redemption, a certificate or report of an accountant will not be required. Any Bonds so provided for will no longer be outstanding under the Bond Resolution or payable from *ad valorem* taxes on taxable property in the District, and the owners of such Bonds shall thereafter be entitled to payment only from the moneys and Defeasance Obligations deposited in trust.

### ***Ad valorem Property Taxation in the District***

***Taxable Property.*** Real property and improvements and personal property are either valued by the Assessor of the County or the Arizona Department of Revenue (the “Department of Revenue”). Property valued by the Assessor of the County is referred to as “locally assessed” property and generally encompasses residential, agricultural and traditional commercial and industrial property. Property valued by the Department of Revenue is referred to as “centrally valued” property and generally includes large mine and utility entities.

Locally assessed property is assigned two values: Full Cash Value and Limited Property Value (both as defined herein). Centrally valued property is assigned one value: Full Cash Value.

*Full Cash Value.* In the context of a specific property parcel, full cash value (“Full Cash Value”) is statutorily defined to mean “the value determined as prescribed by statute” or if a statutory method is not prescribed it is “synonymous with market value, which means the estimate of value that is derived annually by using standard appraisal methods and techniques,” which generally include the market approach, the cost approach and the income approach. In valuing locally assessed property, the Assessor of the County generally uses a cost approach to value commercial/industrial property and a market approach to value residential property. In valuing centrally valued property, the Department of Revenue begins generally with information provided by taxpayers and then applies procedures provided by State law. State law allows taxpayers to appeal such Full Cash Values by providing evidence of a lower value, which may be based upon another valuation approach. Full Cash Value is used as the ceiling for determining Limited Property Value. Unlike Limited Property Value, increases in Full Cash Value are not limited.

*Limited Property Value.* In the context of a specific property parcel, limited property value (“Limited Property Value”) is a property value determined pursuant to the Arizona Constitution and the Arizona Revised Statutes. Except as described in the next sentence, for locally assessed property in existence in the prior year, Limited Property Value is limited to the lesser of Full Cash Value or an amount 5% greater than Limited Property Value determined for the prior year for such specific property parcel. In the following circumstances, Limited Property Value is established at a level or percentage of Full Cash Value that is comparable to that of other properties of the same or a similar use or classification: property that was erroneously totally or partially omitted from the property tax rolls in the preceding tax year, except as a result of the matters described in this sentence; property for which a change in use has occurred since the preceding tax year and property that has been modified by construction, destruction, or demolition since the preceding valuation year such that the total value of the modification is equal to or greater than 15% of the Full Cash Value. (Limited Property Value of property that has been split, subdivided or consolidated varies depending on when the change occurred.) A separate Limited Property Value is not provided for centrally valued property.

*Full Cash Value and Limited Property Value for Taxing Jurisdictions.* The Full Cash Value in the context of a taxing jurisdiction is the sum of the Full Cash Value associated with each parcel of property in the jurisdiction. Full Cash Value of the jurisdiction is the basis for determining constitutional and statutory debt limits for certain political subdivisions in Arizona, including the District.

The Limited Property Value in the context of a taxing jurisdiction is the sum of the Limited Property Value associated with each parcel of locally assessed property within the jurisdiction plus the sum of the Full Cash Value associated with each parcel of centrally valued property within the jurisdiction. Limited Property Value of the jurisdiction is used as the basis for levying both primary and secondary taxes. See “Primary Taxes” and “Secondary Taxes” below.

*Property Classification and Assessment Ratios.* All property, both real and personal, is assigned a classification (defined by property use) and related assessment ratio that is multiplied by the Limited Property Value or Full Cash Value of the property, as applicable, to obtain the “Limited Assessed Property Value” and the “Full Cash Assessed Value,” respectively.

*[Remainder of page left intentionally blank]*

The assessment ratios for each property classification are set forth by tax year in the following table.

**TABLE 1**

**Property Tax Assessment Ratios (Tax Year)**

Property Classification (a)	2022	2023	2024	2025	2026
Mining, utilities, commercial and industrial (b)	17.5%	17%	16.5%	16%	15.5%
Agricultural and vacant land	15	15	15	15	15
Owner occupied residential	10	10	10	10	10
Leased or rented residential	10	10	10	10	10
Railroad, private car company and airline flight property (c)	15	14	14	13	13

- (a) *Additional classes of property exist, but seldom amount to a significant portion of a municipal body’s total valuation.*
- (b) *The assessment ratio for this property classification will decrease to 15% for tax year 2027 and each tax year thereafter.*
- (c) *This percentage is determined annually pursuant to Section 42-15005, Arizona Revised Statutes.*

Source: *State and County Abstract of the Assessment Roll, Arizona Department of Revenue.*

*Primary Taxes.* Per State statute, taxes levied for the maintenance and operation of counties, cities, towns, school districts, community college districts and the State are “primary taxes.” Primary taxes are levied against Net Limited Assessed Property Value. “Net Limited Assessed Property Value” is determined by excluding the value of property exempt from taxation from Limited Assessed Property Value of locally assessed property and from Full Cash Assessed Value of centrally valued property and combining the resulting two amounts.

The primary taxes levied by each county, city, town and community college district are constitutionally limited to a maximum increase of 2% over the maximum allowable prior year’s levy limit plus any taxes on property not subject to taxation in the preceding year (e.g., new construction and property brought into the jurisdiction because of annexation). The 2% limitation does not apply to primary taxes levied on behalf of school districts.

The combined taxes on owner occupied residential property only, for purposes other than voter-approved bonded indebtedness and overrides and certain special district assessments, are constitutionally limited to 1% of the Limited Property Value of such property. This constitutional limitation on the combined tax levies for owner occupied residential property is implemented by reducing the school district’s taxes. To offset the effects of reduced school district property taxes, the State compensates the school district by providing additional State aid.

*Secondary Taxes.* Per State statute, taxes levied for payment of bonds like the Bonds, voter-approved budget overrides, taxes levied by school districts for qualified desegregation expenditures and the taxes levied for maintenance and operation of special purpose districts such as sanitary, fire, road improvement, and career technical education districts, are “secondary taxes.” Like primary taxes, secondary taxes are also levied against Net Limited Assessed Property Value. There is no constitutional or statutory limitation on annual levies for voter-approved bond indebtedness (including the Bonds) and overrides and certain special district assessments.

*Tax Procedures.* The State tax year has been defined as the calendar year, notwithstanding the fact that tax procedures begin prior to January 1 of the tax year and continue through May of the succeeding calendar year.

On or before the third Monday in August each year the Board of Supervisors of the County prepares the tax roll setting forth certain valuations by taxing district of all property in the County subject to taxation. The tax roll is then forwarded to the Treasurer of the County. (The Assessor of the County is required to have completed the assessment

roll by December 15th of the year prior to the levy. This roll identifies the valuation and classification of each parcel located within the County for the tax year.)

Property owners may file an appeal with the Assessor of the County to request a review of the Assessor of the County’s determination of the Full Cash Value and legal classification of their property. Once the appeals process is complete, the Assessor of the County, if necessary, corrects the tax roll based upon the appeal decisions and sends the corrected values to each taxing jurisdiction (cities, school districts, community colleges and special districts such as the District).

With the various budgetary procedures having been completed by the governmental entities, the appropriate tax rate for each jurisdiction is then levied upon each non-exempt parcel of property in order to determine the total tax owed by each property owner. Any subsequent decrease in the value of the tax roll due to appeals or other reasons reduces the amount of taxes received by each jurisdiction.

On occasion, it may be determined that a taxpayer or class of taxpayers is due a property tax refund associated with a successful appeal. These refunds may be for a single year or several years and may range widely in amount. Generally, these refunds are paid by the treasurer of the appropriate county with amounts received from the underlying taxing jurisdictions which, in most cases, may levy an additional property tax in the following year to account for that underlying taxing jurisdiction’s portion of the taxpayer refund. Importantly, in most cases, taxpayer refunds of this type are not the ultimate burden of the underlying taxing jurisdiction, as the underlying taxing jurisdictions levied a tax in an amount which was based on the approved (i.e., pre-appeal) property tax levy. Refunds do not change the amount of revenue the underlying taxing jurisdictions are eligible to receive for the affected fiscal years, but such refunds do change the distribution of the burden of the property taxes among the taxpayers. This is reconciled by the underlying taxing jurisdictions levying for the refunded amounts in a subsequent year.

The property tax lien on real property attaches on January 1 of the year the tax is levied. Such lien is prior and superior to all other liens and encumbrances on the property subject to such tax except liens or encumbrances held by the State or liens for taxes accruing in any other years and liens imposed by the United States. Set forth below is a record of property taxes levied and collected in the District for a portion of the current fiscal year and the previous two fiscal years. (The Operation and Maintenance Tax has been levied since fiscal year 2019/20.)

(a) Taxes are collected by the Treasurer of the County. Taxes in support of debt service are levied by the Board of Supervisors of the County as required by Arizona Revised Statutes. Delinquent taxes are subject to an interest and penalty charge of 16% per annum, which is prorated at a monthly rate of 1.33%. Interest and penalty collections for delinquent taxes are not included in the collection figures above, but are deposited in the County’s General Fund. Interest and penalties with respect to the first half tax collections (delinquent November 1) are waived if the full year’s taxes are paid by December 31.

First installment due 10-01-25; delinquent 11-01-25;  
Second installment due 03-01-26; delinquent 05-01-26.

Source: The Office of Budget and Finance of the County.

*Delinquent Tax Procedures.* The property taxes due the District are billed, along with State and other taxes, each September and are due and payable in two installments on October 1 and March 1 and become delinquent on November 1 and May 1, respectively. Delinquent taxes are subject to an interest penalty of 16% per annum, prorated monthly at a rate of 1.33% as of the first day of the month. (Interest and penalties for delinquent taxes are waived if a taxpayer, delinquent as to the November 1 payment, pays the entire year's tax bill by December 31.) After the close of the tax collection period, the Treasurer of the County prepares a delinquent property tax list and the property so listed is subject to a tax lien sale in February of the succeeding year. In the event that there is no purchaser for the tax lien at the sale, the tax lien is assigned to the State, and the property is reoffered for sale from time to time until such time as it is sold, subject to redemption, for an amount sufficient to cover all delinquent taxes.

After three years from the sale of the tax lien, the tax lien certificate holder may bring an action in a court of competent jurisdiction to foreclose the right of redemption and, if the delinquent taxes plus accrued interest are not paid by the owner of record or any entity having a right to redeem, a judgment is entered ordering the Treasurer of the County to deliver a treasurer's deed to the certificate holder as prescribed by law.

Chapter 176, Laws of Arizona 2024 (commonly referred to by its original bill number as "SB 1431") revises the redemption and foreclosure process for tax lien certificate holders whereby a delinquent taxpayer may request an entry of judgment directing the sale of the property for excess proceeds. If a delinquent taxpayer requests an excess proceeds sale, and an entry of judgment is granted to direct such excess proceeds sale, a tax lien certificate holder's potential financial return on the subject tax lien eligible for foreclosure may decrease relative to the tax lien certificate holder's potential financial return on such tax lien prior to the enactment of SB 1431. Therefore, in connection with the new excess proceeds sale process instituted by SB 1431, it is reasonable to conclude that "tax sale investors" may be less willing to purchase tax liens. The effective date of SB 1431 was September 14, 2024. None of the District, the Municipal Advisor (as defined herein), the Underwriter (as defined herein) or the counsel or agents of any of them, are able to determine or predict what impact, if any, SB 1431 will have on property tax collections in the District.

In the event of bankruptcy of a taxpayer pursuant to the United States Bankruptcy Code (the "Bankruptcy Code"), the law is currently unsettled as to whether a lien can attach against the taxpayer's property for property taxes levied during the pendency of bankruptcy. Such taxes might constitute an unsecured and possibly non-interest bearing administrative expense payable only to the extent that the secured creditors of a taxpayer are oversecured, and then possibly only on the prorated basis with other allowed administrative claims. It cannot be determined, therefore, what adverse impact bankruptcy might have on the ability to collect *ad valorem* taxes on property of a taxpayer within the District. Proceeds to pay such taxes come only from the taxpayer or from a sale of the tax lien on delinquent property.

When a debtor files or is forced into bankruptcy, any act to obtain possession of the debtor's estate, any act to create or perfect any lien against the property of the debtor or any act to collect, assess or recover a claim against the debtor that arose before the commencement of the bankruptcy is stayed pursuant to the Bankruptcy Code. While the automatic stay of a bankruptcy court may not prevent the sale of tax liens against the real property of a bankrupt taxpayer, the judicial or administrative foreclosure of a tax lien against the real property of a debtor would be subject to the stay of bankruptcy court. It is reasonable to conclude that "tax sale investors" may be reluctant to purchase tax liens under such circumstances, and, therefore, the timeliness of the payment of post-bankruptcy petition tax collections becomes uncertain.

It cannot be determined what impact any deterioration of the financial conditions of any taxpayer, whether or not protection under the Bankruptcy Code is sought, may have on payment of or the secondary market for the Bonds. None of the District, the Underwriter, the Municipal Advisor, the Developer or their respective agents or consultants has undertaken any independent investigation of the operations and financial condition of any taxpayer, nor have they assumed responsibility for the same.

In the event the County is expressly enjoined or prohibited by law from collecting taxes due from any taxpayer, such as may result from the bankruptcy of a taxpayer, any resulting deficiency could be collected in subsequent tax years by adjusting the District's tax rate charged to non-bankrupt taxpayers during such subsequent tax years.

**BOND INSURANCE**

[Bond Insurer Disclosure]

*[Remainder of page left intentionally blank]*

## RISK FACTORS RELATED TO BOND INSURANCE

The following are risk factors relating to bond insurance generally. In the event of default of the payment of principal or interest with respect to any of the Bonds when all or some become due, any owner of the Bonds on which such principal or interest was not paid will have a claim under the Policy for such payments. In the event the Bond Insurer is unable to make payment of principal and interest as such payments become due under the Policy, the Bonds will remain payable solely from *ad valorem* property taxes as described under “SECURITY FOR AND SOURCES OF PAYMENT OF THE BONDS.” In the event the Bond Insurer becomes obligated to make payments with respect to the Bonds, no assurance will be given that such event will not adversely affect the market price of the Bonds and the marketability (liquidity) of the Bonds.

The long-term ratings on the Bonds will be dependent in part on the financial strength of the Bond Insurer and its claims paying ability. The Bond Insurer’s financial strength and claims paying ability will be predicated upon a number of factors which could change over time. No assurance will be given that the long-term rating of the Bond Insurer and of the rating on the Bonds insured by the Bond Insurer will not be subject to downgrade, and such event could adversely affect the market price of the Bonds and the marketability (liquidity) of the Bonds.

The obligations of the Bond Insurer will be general obligations of the Bond Insurer, and in an event of default by the Bond Insurer, the remedies available may be limited by applicable bankruptcy law, state receivership or other similar laws related to insolvency of insurance companies.

None of the District, the Underwriter, the Developer, the Municipal Advisor or their respective attorneys, agents or consultants have made independent investigation into the claims paying ability of the Bond Insurer and no assurance or representation regarding the financial strength or projected financial strength of the Bond Insurer will be given. Thus, when making an investment decision, potential investors should carefully consider the ability of the District to pay principal of and interest on the Bonds and the claims paying ability of the Bond Insurer, particularly over the life of the investment.

(a) Proportion applicable to the District is computed on the ratio of Net Limited Assessed Property Value for fiscal year 2025/26.

(b) Includes total stated principal amount of general obligation bonds outstanding. Does not include outstanding principal amount of certificates of participation, revenue obligations or loan obligations outstanding for the jurisdictions listed above. Does not include outstanding principal amounts of various special assessment bonds, as those bonds are presently being paid from special assessments against property for such purpose.

Does not include presently authorized but unissued general obligation bonds of such jurisdictions which may be issued in the future as indicated in the following table. Authorized but unissued amounts in the following table may be subject to additional reductions based on certain amounts of net premium but such reductions are not reflected in the table. Additional bonds may also be authorized by voters within overlapping jurisdictions pursuant to future elections.

Also does not include the obligation of the Central Arizona Water Conservation District (“CAWCD”) to the United States Department of the Interior (the “Department of the Interior”), for repayment of certain capital costs for construction of the Central Arizona Project (“CAP”). CAP is a 336-mile long system of aqueducts, tunnels, pumping plants and pipelines which delivers water from the Colorado River to Maricopa, Pinal and Pima Counties in Arizona (including the City). The obligation to CAP is evidenced by a master contract between CAWCD and the Department of the Interior. In April 2003, the United States and CAWCD agreed to settle litigation over the amount of the construction cost repayment obligation, the amount of the respective obligations for payment of the operation, maintenance and replacement costs and the application of certain revenues and credits against such obligations and costs. Under the agreement, CAWCD’s obligation for substantially all of the CAP features that have been constructed so far will be set at \$1.646 billion, which amount assumes (but does not mandate) that the United States will acquire a total of 667,724 acre feet of CAP water for federal purposes. The United States will complete unfinished CAP construction work related to the water supply system and regulatory storage stages of CAP at no additional cost to CAWCD. Of the \$1.646 billion repayment obligation, 73% will be interest bearing and the remaining 27% will be non-interest bearing. These percentages are fixed for the entire 50-year repayment period, which commenced October 1, 1993. CAWCD is a multi-county water conservation district having boundaries coterminous with the exterior boundaries of Maricopa, Pima and Pinal Counties. It was formed for the express purpose of paying administrative costs and expenses of the CAP and to assist in the repayment to the United States of the CAP capital costs. Repayment will be made from a combination of power revenues, subcontract revenues (i.e., agreements with municipal, industrial and agricultural water users for delivery of CAP water) and a tax levy against all taxable property within CAWCD’s boundaries. At the date of this Official Statement, the tax levy is limited to 14 cents per \$100 of Net Limited Assessed Property Value, of which 14 cents is being levied. (See Sections 48-3715 and 48-3715.02, Arizona Revised Statutes.) There can be no assurance that such levy limit will not be increased or removed at any time during the life of the contract.

- (c) The assessed value of the Maricopa County Flood Control District does not include any personal property assessed valuation of the County.
- (d) On June 1, 2026, the Mayor and Council of the City adopted an ordinance authorizing the issuance of General Obligation Bonds of the City in a principal amount not to exceed \$22,000,000.
- (e) Includes the Bonds.
- (f) Reflects reduction in authorization from the Election in connection with the issuance of the Bonds.

### **Additional General Obligation Bonded Indebtedness of the District**

In addition to the Bonds, the District retains the right to issue, in accordance with the procedures set forth in the Enabling Act, additional series of bonds payable from *ad valorem* taxes levied on all taxable property in the District. See “SECURITY FOR AND SOURCES OF PAYMENT OF THE BONDS - *Ad valorem* Property Taxation in the District – Direct General Obligation Bonded Debt Outstanding and to be Outstanding.” See also “**RISK FACTORS - Direct and Overlapping Indebtedness.**”

The Enabling Act provides that the total aggregate outstanding amount of bonds and any other indebtedness for which the full faith and credit of the District are pledged will not exceed 60 percent of the aggregate of the estimated market value of the real property and improvements in the District after the public infrastructure of the District is completed plus the value of the public infrastructure owned or to be acquired by the District with the proceeds of the bonds. (Based on the Full Cash Value of the property in the District as reported by the County Assessor plus the value of the public infrastructure acquired or to be acquired by the District with the proceeds of previously issued general obligation bonds and the Bonds, the Board has determined that issuance of the Bonds will meet the test set forth above. See “SECURITY FOR AND SOURCES OF PAYMENT OF THE BONDS - *Ad valorem* Property Taxation in the District - Full Cash Value.”)

Pursuant to the Election, the District is authorized to incur general obligation bonded indebtedness in an amount not to exceed \$70,000,000 and will have \$53,809,021\* of such amount remaining after issuance of the Bonds in order to finance, among other things, the costs of public infrastructure purposes within the District, including incidental costs. Additional general obligation indebtedness could be authorized for the District in the future pursuant to other elections.

### **Additional Overlapping General Obligation Bonded Indebtedness**

The District has no control over the amount of additional indebtedness payable from *ad valorem* taxes on all or a portion of the property within the District that may be issued in the future by other political subdivisions, including but not limited to, the City, the County, Maricopa County Community College District, Maricopa County Flood Control District, Maricopa County Special Health Care District, Maricopa County Library District, Western Maricopa Education Center District No. 402, Littleton Elementary School District No. 65 and Tolleson Union High School District No. 214 or other entities having jurisdiction over all or a portion of the District Land. Additional indebtedness could be authorized for such overlapping jurisdictions in the future. See “**RISK FACTORS - Direct and Overlapping Indebtedness.**”

## **LAND DEVELOPMENT**

### **[UPDATES IN PROGRESS FOR LAND DEVELOPMENT AND RISK FACTORS FROM DEVELOPER]**

*The information contained in the following section relates to and has been obtained from the Developer unless otherwise sourced or noted, and none of the District, the Underwriter, or the Municipal Advisor or the counsel or agents of any of them have made any independent investigation regarding the accuracy or completeness thereof. The Developer makes no representation regarding projected development plans within the District (except for those of the Developer), the financial soundness of the other property owners and developers (excluding the Developer) or the managerial ability of such persons and entities to complete development as planned. The development of the District Land may be affected by factors such as governmental policies with respect to land development, the availability of utilities, the availability of energy, construction costs, interest rates, competition from other developments, public health directives and restrictions, and other political, legal and economic conditions beyond the control of the District, the Developer, or other property owners and developers. Further, the District Land may be subject to encumbrances as security for obligations payable to various parties, the default of which could adversely affect construction activity. See “RISK FACTORS.”*

\* Subject to change.

## **The Project**

The District Land is being developed as a planned residential community known as “Alamar”, formerly known as “Lakin Ranch” (the “Project”), featuring a range of low to high density neighborhood housing. The maximum allowable residential build-out of the Project is approximately 4,036 units. The Project includes a 40-acre regional park, a 21-acre K-8 elementary school site, and over 10-acres of community parks. A trail network of 9+ miles will connect the open space park system to 3 community parks and over 20 neighborhood parks within the Project. The Project is anticipated to be a diverse residential community serving both families and active adults. As of March 31, 2025, the Developer has sold 1,293 residential lots and builders have closed on over 1,071 residential homes within the Project.

The Project has a 100-year assured water supply provided by the City through approval of the Arizona Department of Water Resources (“ADWR”). An assured water supply means that sufficient water of adequate quality will be continuously available to satisfy the water needs of the proposed use for at least 100 years, that any projected groundwater use is consistent with the water management plan approved by ADWR and achievement of the management goal for the area, and that financial capability to construct the delivery system and any necessary treatment work has been demonstrated to ADWR. The assured water supply designation, which can be terminated or modified by ADWR should circumstances warrant, is a necessary condition to the legal right of the Developer (or any purchaser of the Developer) to plat, construct and sell homes within the Project. See “RISK FACTORS – Availability of Water” herein.

As of April 30, 2026, the Developer has spent approximately \$22 million to construct and install water, sewer, streets, curbs, gutters, and other public facilities at the Project, including approximately 4.0 miles of collector or arterial roads; and approximately \$18 million on numerous community amenities, including approximately 46 acres of parks with sports courts, playgrounds and ramadas within the community. The Developer is currently engineering approximately 1.5 additional miles of collector and arterial roads with all utilities installed at an estimated cost of approximately \$19.5 million.

(d) Engineer's certification of costs is in process for this public infrastructure. Such certification is expected to be completed in June 2026, and it is not expected that there will be material deviations from the numbers shown in this table.

The Project is being developed with both a family-oriented community. The Project is expected to include (i) 3 community parks totaling approximately 10 acres with 1 outdoor pool, playgrounds, outdoor grill station, ramadas and sports courts, (ii) a regional park with a basketball court, fitness court, 2 baseball fields, lighted multi-purpose field, splash pad, urban fishing lake, amphitheater and a dog park, and (iii) landscaped open areas with playgrounds, art features, grills, fire pits, trails, disc golf, ramadas, and benches. The City is responsible for the continued maintenance of Alamar (regional) Park and the Alamar Community Association, Inc. (the "Association") is responsible for the continued maintenance of the remainder of the community amenities. Costs for the continued maintenance are included in Association assessments. The Association may charge use and consumption fees for services and facilities provided by or through the Association.

Information herein relating to anticipated future sales and development is provided based on information and projected activity as of date of this Official Statement. Notwithstanding anything in this Official Statement to the contrary, no homebuilders or other prospective purchasers have agreed to final pricing except as otherwise stated herein and there can be no assurance now or at the time the Bonds are issued that the projected activity will be realized or that present or subsequent landowners will have the financial capability to, or will, commence or complete development on any other portion of the District land acquired. **Services and Utilities**

The Project is within the boundaries of Littleton Elementary School District No. 65 of Maricopa County, Arizona. Lakin Prep Academy opened for the 2023-2024 school year. The school is currently serving K-5<sup>th</sup> grades and plan to expand to K-8 in the future. Currently, students are served by existing elementary schools within the Littleton Elementary School District.

The Project is within the boundaries of the Tolleson Union High School District No. 214 of Maricopa County, Arizona. Students are served by existing high schools within the Tolleson Union High School District. A high school is planned for development on the southeast corner of Alamar Boulevard and Dysart Road, no opening date is confirmed as of yet.

The following retail establishments are within the area, but outside the District: Fry's (grocery store), Avondale Fiesta Shopping Center, Pecan Promenade, Target Super Center, Walmart Super Center, Costco, and Sprouts, among others.

The Project is subject to certain development agreements with the City and certain master plan and zoning approvals. Such agreements provide, among other things, the City's contributions to, and reimbursements for, infrastructure, the processing of permits, payment for City services, and other matters generally provided for in similar agreements within the State.

The City provides municipal services within the Project, including police protection, fire, refuse collection and water and sewer services. The City has a water portfolio of groundwater, recharge credits and surface water in place that covers current and future water needs. Arizona Public Service provides electric power; Southwest Gas Corporation provides natural gas; and Cox, Wyyerd and Lumen provide cable television and telephone service.

## **RISK FACTORS**

***THIS SECTION SETS FORTH A BRIEF SUMMARY OF SOME OF THE PRINCIPAL RISK FACTORS IN INVESTING IN THE BONDS. PROSPECTIVE INVESTORS SHOULD FULLY UNDERSTAND AND EVALUATE THESE RISKS, IN ADDITION TO THE OTHER FACTORS SET FORTH IN THIS OFFICIAL STATEMENT, BEFORE MAKING AN INVESTMENT DECISION. INVESTMENT IN THE BONDS SHOULD BE MADE ONLY AFTER CAREFUL EXAMINATION OF THIS OFFICIAL STATEMENT, INCLUDING THE APPENDICES HERETO.***

*The discussion of risk factors is not, and is not intended to be, exhaustive, and such risk factors are not necessarily presented in order of magnitude.*

### **General Risks of Real Estate Investment and Development; Certain Factors Which May Adversely Affect Development; Consequences**

Investments in developing real estate such as undeveloped areas in the District are generally considered to be speculative in nature and to involve a high degree of risk. Owners of land in the District will be subject to the risks generally incident to real estate investments and development including those described herein.

Construction of houses on the remaining lots within the District may be affected by changes in the income tax treatment of real property ownership; changes in national, regional and local market and economic conditions; changes in long and short term interest rates; changes in the climate for real estate purchases; changes in demand for or supply of competing properties; unanticipated development costs, market preferences and architectural trends; unforeseen environmental risks and controls, including, without limitation, drought mitigation and other governmental actions taken to address certain water resource allocations; the adverse use of adjacent and neighboring real estate; changes in interest rates and the availability of mortgage funds to buyers of the homes to be built in the District, which may render the sale of such homes difficult or unattractive; acts of war, terrorism or other political instability; delays or inability to obtain governmental approvals; changes in laws; moratorium; force majeure (which may result in uninsured losses); strikes; labor shortages; energy shortages; material shortages; inflation; adverse weather conditions; subcontractor defaults; and other unknown contingencies and factors beyond the control of the owners of such land. Land development within the District could also be affected adversely by changes in governmental policies, including, but not limited to, governmental policies to restrict or control development. (Any approvals needed in the future for the development must come from the City and other governmental authorities, over which the District has no control.)

Homebuilders throughout the Phoenix metropolitan area are concerned with uncertainty of tariffs and future supply chain issues that may affect the national economy, specifically the timely availability of materials necessary to build new homes. While advantage is being taken of all available alternatives, completion of homes has been slowed. This circumstance is expected to continue for the near term and to affect home closings. Such supply chain factors will affect other owners of property within the District, such as owners constructing communities for rentals, if any.

The residential development business, particularly with respect to communities such as the District, is highly competitive in the Phoenix metropolitan area. The business of merchant builders building in the District will face

competition from a number of competitors in the City and other developments throughout the Phoenix metropolitan area, many of which offer or intend to offer lots and parcels in similar communities to a similar target market.

Decreased absorption rates associated with future slowdown could adversely affect land values and reduce the ability or desire of the property owners to pay *ad valorem* property taxes and assessments. In that event, there could be a default in the payment of principal of and interest on the Bonds.

An inability to develop the remaining land within the District will likely reduce the diversity of ownership of land within the District, making the holders of the Bonds more dependent upon timely payment of the *ad valorem* property taxes levied on the vacant lots.

Development requires obtaining a variety of governmental approvals and permits. Such approvals and permits are necessary to initiate development and construction and to allow the sale and occupancy of homes and to satisfy conditions included in the approvals and permits. There can be no assurance that all of these permits and approvals can be obtained or that the conditions to the approvals and permits can be fulfilled. The failure to obtain any of the required approvals or fulfill any one of the conditions could cause materially adverse financial results for the Developer.

### **No Review of Filings**

As described in footnote (a) to TABLE 4 and under the heading “LAND DEVELOPMENT – The Developer”, no representative of the District, the Municipal Advisor, the Underwriter or counsel to any of them has examined the information set forth in the Filings for accuracy or completeness, or examined similar information for entities or their parent companies that are not subject to same or similar informational requirements.

### **Competition from Other Developments**

The residential development business, particularly with respect to communities such as the Project, is highly competitive in the surrounding area. The business of homebuilding by the Developer in the District will face competition from a number of competitors in the City and other developments throughout the surrounding area, many of which offer or intend to offer lots and parcels to a similar target market.

### **Assessed Valuation of Property**

The District’s ability to retire the indebtedness evidenced by the Bonds solely from *ad valorem* property taxes levied on all taxable property in the District is dependent upon the development and maintenance of an adequate tax base from which the District may collect revenues. The District’s ability to achieve a tax base adequate to generate *ad valorem* property tax revenues for timely payment of the Bonds will depend upon the continued and successful development of the Project. The District faces competition from other residential developments in surrounding areas. Such competition may adversely affect the rate of development within the District. Many unpredictable factors could influence the actual rate of construction within the District, including the prevailing interest rates, availability of funds, market and economic conditions generally, supply of housing in the greater Phoenix metropolitan area, construction costs, labor conditions, access to building supplies, availability of water and water taps, availability and costs of fuel and transportation costs, among other things.

It is anticipated that the assessed valuation of the land in the District will increase if and as the development of the Project continues. However, changes in the future assessed valuation of the land in the District may reduce the willingness of landowners to pay the *ad valorem* property taxes securing the Bonds or adversely affect the interest of potential buyers of such property. See also “SECURITY FOR AND SOURCES OF PAYMENT OF THE BONDS - *Ad valorem* Property Taxation in the District.”

### **Concentration of Ownership; Subsequent Transfers**

There can be no assurance that the Developer or future developers or homebuilders will have the financial capability to continue and complete development of the Project. None of the District, the Underwriter, the Municipal Advisor or counsel to any of them have reviewed the financial resources or development capabilities of the Developer to develop its property or sell it to others for development, or the capability of the Developer to pay *ad valorem* property

taxes as they come due. No assurances can be given that the Developer or any subsequent District property owner will have the necessary financial resources to pay *ad valorem* property taxes as they come due. See “LAND DEVELOPMENT.”

### **Failure or Inability to Complete Proposed Project**

The continuing development and successful completion of the Project is contingent upon construction or acquisition of major public improvements, such as arterial streets, water distribution facilities, wastewater collection and transmission facilities, drainage facilities, telephone and electrical facilities, recreational facilities and street lighting, as well as local in-tract improvements. If the Developer or other developers or, as applicable, the City are unable to complete these additional improvements, the ability to sell homes in the Project would be affected adversely.

No assurances can be given that the Developer and other developers will be able to obtain on a continuing basis the financing necessary to pay for required development costs. Cash generated from the sale of land within the District is expected to fund a substantial portion of the costs of the development. However, the cost of these additional improvements plus the public and private in-tract, on-site and off-site improvements would increase the public and private debt for which all or portions of the District Land is security. See “– Direct and Overlapping Indebtedness” below.

The Project may be affected by changes in general economic conditions, fluctuations in the real estate market and interest rates, changes in the income tax treatment of real property ownership, increases in development costs and other similar factors as well as availability of utilities and the development of environmental problems with such land. See “LAND DEVELOPMENT” above. While the Developer has in place a development agreement with the City, addressing, among other things, the vesting of zoning approvals necessary to develop the Project, development within the District could nevertheless be affected by changes in governmental policies and laws, including, but not limited to, governmental policies and laws to restrict or control development. (Any approvals needed in the future for the development of the Project must come from the City or other governmental authorities, over which the District has no control.) Land development within the District also could be affected by competition from other residential developments in surrounding areas. A slowdown of the development process and the related absorption rate within the Project because of any or all of the foregoing could affect adversely land values and impair the developers’ ability to finance the costs of development. ANY OR ALL OF THE FOREGOING COULD REDUCE THE WILLINGNESS AND THE ABILITY OF LANDOWNERS TO PAY *AD VALOREM* PROPERTY TAXES AND COULD GREATLY REDUCE THE VALUE OF SUCH PROPERTY IN THE EVENT IT HAS TO BE FORECLOSED UPON.

### **Effect of Valuation of Property**

Information is provided herein with respect to the valuation of land within the District. See “SECURITY FOR AND SOURCES OF PAYMENT OF THE BONDS - *Ad valorem* Property Taxation in the District.” Such valuation and particularly decreases therein may reduce the willingness of landowners to pay the *ad valorem* taxes securing the Bonds, as well as adversely affect the interest of potential buyers of such property at any foreclosure sale for purposes of paying such taxes.

### **Direct and Overlapping Indebtedness**

The willingness or ability of owners of land in the District to pay their *ad valorem* taxes could be affected by the existence of other taxes and assessments imposed upon the property. The District and other political subdivisions, such as the State, the County, the City, Maricopa County Community College District, Maricopa County Flood Control District, Maricopa County Special Health Care District, Maricopa County Library District, Western Maricopa Education Center District No. 402, Littleton Elementary School District No. 65 and Tolleson Union High School District No. 214, etc., whose boundaries overlap those of the District could, without the consent of the District and, in certain cases, without the consent of the owners of the land within the District, impose additional *ad valorem* taxes or assessment liens on the property within the District in order to finance public improvements to be located inside or outside of the District. (The existing public debt relating to the District is set forth in “OVERLAPPING, ADDITIONAL AND ADDITIONAL OVERLAPPING INDEBTEDNESS” above). The lien created on the property within the District by the levy of additional *ad valorem* taxes would be on a parity with the lien for the *ad valorem* taxes securing the Bonds.

The imposition of additional parity liens, or junior liens in the case of, for instance, special assessments, may reduce the ability or willingness of the landowners to pay the *ad valorem* taxes securing the Bonds as well as, in the case of failure of payment thereof, the existence of buyers of such property at any foreclosure sale for purposes of paying such taxes. See “SECURITY FOR AND SOURCES OF PAYMENT OF THE BONDS - *Ad valorem* Property Taxation in the District.”

From time to time, there are legislative proposals in the Arizona Legislature that, if enacted, could alter the basis on which *ad valorem* taxes (including those that secure the Bonds) are assessed, levied and collected and which could affect, among other things, the distribution of the amount of taxes that various classifications of property may be obligated to pay. It cannot be predicted whether or in what form any such proposals might be enacted or whether, if enacted, they would affect the Bonds or other obligations issued prior to their enactment.

### **Bankruptcy and Foreclosure Delays**

The payment of the *ad valorem* taxes securing the Bonds and the ability of the District to foreclose the lien of delinquent, unpaid, *ad valorem* taxes may be limited by bankruptcy, insolvency or other laws generally affecting creditors’ rights or by the laws of the State relating to judicial foreclosure. Although bankruptcy proceedings would not extinguish the *ad valorem* taxes securing the Bonds, bankruptcy of a property owner could result in a delay in the foreclosure proceedings. Such delay would increase the likelihood of a delay or default in payment of the Bonds when due. See “SECURITY FOR AND SOURCES OF PAYMENT OF THE BONDS - *Ad valorem* Property Taxation in the District - Delinquent Tax Procedures.”

It should be noted that in the event of a bankruptcy of a taxpayer pursuant to the Bankruptcy Code, the law is currently unsettled as to whether a lien can be attached against the taxpayer’s property for property taxes levied during the pendency of the bankruptcy proceedings. Such taxes might constitute an unsecured and possible non-interest bearing administrative expense payable only to the extent that the secured creditors of a taxpayer are over secured, and then possibly only on a pro rata basis with other allowed administrative claims. It cannot be determined, therefore, what adverse impact the bankruptcy of a property owner might have on the ability of the District to collect *ad valorem* taxes levied on that property before or during the bankruptcy proceedings. Proceeds to pay such taxes come only from the taxpayer or from a sale of the tax lien on the property.

When a debtor files or is forced into bankruptcy, any act to obtain possession of the debtor’s estate, any act to create or perfect any lien against the property of the debtor or any act to collect, assess or recover any claim against the debtor or its estate that arose before the commencement of the bankruptcy is automatically stayed pursuant to the Bankruptcy Code. While the stay may not prevent the sale of tax liens against the real property of a bankrupt taxpayer, the judicial or administrative foreclosure of a tax lien against the real property of a debtor in bankruptcy would be subject to the stay of bankruptcy court. Furthermore, “tax sale investors” may be reluctant to purchase tax liens under such circumstances, and, therefore, the timeliness of post-bankruptcy petition tax collections becomes uncertain.

In the event none of the District is expressly enjoined or prohibited by law from collecting taxes due from any taxpayer, such as may result from the bankruptcy of a taxpayer, any resulting deficiency could be collected in subsequent tax years by adjusting the District’s tax rate charged to non-bankrupt taxpayers during such subsequent years.

It cannot be determined what impact any deterioration of the financial condition of any taxpayer, whether or not protection under the Bankruptcy Code is sought, may have on payment of or the secondary market for the Bonds. None of the District, the Municipal Advisor, the Underwriter, the Developer, or their respective agents or consultants have undertaken any independent investigation of the operations and financial condition of any of the property owners in the District, nor have they assumed responsibility for the same.

In addition, the various legal opinions to be delivered concurrently with the delivery of the Bonds (including Bond Counsel’s approving legal opinion) will be qualified, as to the enforceability of the various legal instruments, by bankruptcy, reorganization, insolvency or other similar laws affecting the rights of creditors generally.

## **Risk of Internal Revenue Service Audit**

The Internal Revenue Service (the “Service”) has announced a program of auditing tax-exempt bonds which can include those issued by special purpose governmental units, such as the District, for the purpose of determining whether the Service agrees (a) with the determination of bond counsel that interest on the Bonds is tax-exempt for federal income tax purposes or (b) that the District is in or remains in compliance with Service regulations and rulings applicable to governmental bonds such as the Bonds. The commencement of an audit of the Bonds could adversely affect the market value and liquidity of the Bonds, regardless of the final outcome. An adverse determination by the Service with respect to the tax-exempt status of interest on the Bonds could be expected to adversely impact the secondary market, if any, for the Bonds, and, if a secondary market exists, would also be expected to adversely impact the price at which the Bonds can be sold. The Bond Resolution does not provide for any adjustment to the interest rates borne by the Bonds in the event of a change in the tax-exempt status of the Bonds. Owners of the Bonds should note that, if the Service audits the Bonds, under current audit procedures the Service will treat the District as the taxpayer during the initial stage of the audit, and the owners of the Bonds will have limited rights to participate in such procedures. There can be no assurance that the District will have revenues available to contest an adverse determination by the Service. No transaction participant, including the District, Bond Counsel, counsel to the Underwriter, or the Underwriter is obligated to pay or reimburse the owner of any of the Bonds for audit or litigation costs in connection with any legal action, by the Service or otherwise, relating to the Bonds.

There can be no assurance that an audit by the Service of the Bonds will not be commenced. However, the District has no reason to believe that any such audit will be commenced, or that if commenced, an audit would result in a conclusion of noncompliance with any applicable Service position, regulation or ruling. No rulings have been or will be sought from the Service with respect to any federal tax matters relating to the issuance, purchase, ownership, receipt or accrual of interest upon, or disposition of the Bonds. See also “TAX EXEMPTION” herein.

## **Amendment of Documents Referenced**

The development of the property within the District is maturing [IS THIS STILL AN ACCURATE STATEMENT]. Circumstances could change as the development process continues and other issues are raised or new developers or owners become involved. Accordingly, the Developer anticipates that there may be significant changes to the agreements and contracts relating to the development of the Project to address any such issues; however, the Developer does not presently anticipate that any modifications of the current contracts or agreements would materially affect the repayment of the Bonds.

## **Environmental Matters**

Property in the District will be subject to risks arising out of environmental, archaeological and biological considerations generally associated with the ownership of real estate and the construction of improvements located thereon. Such risks include, in general, potential liability arising as a result of any contamination later discovered on the site and the possibility of a decline in property values resulting from any contamination on the site or from the proximity of the site to other contaminated areas; or discovery of archaeological artifacts located on the site or in the vicinity of the site; discovery of endangered species of animals, plants or other habitat for endangered species and a determination of the waterways of the United States against dredging or fill. In addition, liability may arise under a variety of federal, state or local environmental laws and regulations, including, but not limited to, the Comprehensive Environmental Response, Compensation and Liability Act (CERCLA), the Resource Conservation and Recovery Act (RCRA), the Endangered Species Act and the National Historical Preservation Act.

For example, development may require approvals and actions under the Clean Water Act and the National Environmental Protection Act may limit, delay or change materially the number and type of development on the site.

## **Availability of Water**

The Developer’s ability to develop the land within the District and to subdivide the real property included within the District is dependent upon the land having a 100-year assured water supply, as determined by ADWR and applicable law. The Project is located in the City, which has been designated as having a 100-year water supply based on the City’s available surface and groundwater rights. If the City were to lose its 100-year water supply designation,

however, the sale of subdivided land within the Project would be halted until the situation could be resolved. Since January 2022, Arizona has operated under a drought contingency plan and has received a reduced allocation of Colorado River water for agricultural purposes through CAP. (See the final paragraph in footnote (b) to TABLE 9 for a description of CAP.) The City’s water supply comes from a variety of sources which include not only Colorado River water received through an allocation from the CAP but also water from Salt River Project, reclaimed water/treated effluent, replenished groundwater and groundwater. Assuming development of the Project proceeds as described under the heading “LAND DEVELOPMENT” herein, the City does not anticipate any near-term disruption to the provision of water to the Project by the City.

## **LITIGATION**

At the time of delivery and payment for the Bonds, appropriate representatives of the District will certify that there is no action, suit, proceeding, inquiry or investigation, at law or in equity, before or by any court, regulatory agency, public board or body, pending or, overtly threatened against the District affecting the existence of the District, or the titles of its officers to their respective offices, or seeking to restrain or to enjoin the sale or delivery of the Bonds, the application of the proceeds thereof in accordance with the Bond Resolution, or the collection or application of any revenues providing for the payment of the Bonds, or in any way contesting or affecting the validity or enforceability of the Bonds, the Bond Resolution, any action of the District contemplated by any of the said documents, or the collection or application of the revenues provided for the payment of the Bonds, or in any way contesting the completeness or accuracy of this Official Statement or any amendment or supplement thereto, or contesting the powers of the District or its authority with respect to the Bonds or any action of the District contemplated by any of said documents.

## **QUALIFIED TAX-EXEMPT OBLIGATIONS**

The Bonds will be designated as “qualified tax-exempt obligations” for purposes of Section 265(b)(3)(B) of the Internal Revenue Code of 1986, as amended (the “Code”), as the Board does not reasonably anticipate that the aggregate amount of qualified tax-exempt obligations that will be issued by or on behalf of the District in calendar year 2026 will exceed \$10,000,000.

## **GENERAL PURPOSE FINANCIAL STATEMENTS**

The financial statements of the District as of June 30, 2025, and for its fiscal year then ended, which are included as APPENDIX E to this Official Statement, have been audited by Heinfeld, Meech & Co., P.C. as stated in its opinion which appears in APPENDIX E – “AUDITED FINANCIAL STATEMENTS FOR FISCAL YEAR ENDED JUNE 30, 2025.” The District neither requested nor obtained the consent of Heinfeld, Meech & Co., P.C. to include its report and Heinfeld, Meech & Co., P.C. has performed no procedures subsequent to rendering its opinion on the financial statements. In addition, as a “blended component unit” of the City, certain information regarding the District is contained in the City’s annual comprehensive financial reports. The City’s annual comprehensive financial report for the fiscal year ended June 30, 2025, is publicly available and is available upon request from the District Treasurer.

**THE FINANCIAL STATEMENTS INCLUDED IN APPENDIX C OF THIS OFFICIAL STATEMENT ARE CURRENT AS OF THEIR DATE ONLY AND MAY NOT REPRESENT THE CURRENT FINANCIAL CONDITION OF THE DISTRICT.**

**The Developer is not required to, nor does it prepare, financial statements that are separately audited.**

## TAX EXEMPTION

### In General

The Code includes requirements which the District must continue to meet after the issuance of the Bonds in order that the interest on the Bonds be and remain excludable from gross income for federal income tax purposes. The District's failure to meet these requirements may cause the interest on the Bonds to be included in gross income for federal income tax purposes retroactively to the date of issuance of the Bonds. The District and Brookfield (as defined in Appendix B) have covenanted in the Bond Resolution and the Development Agreement, respectively, to take the actions required by the Code in order to maintain the exclusion from gross income for federal income tax purposes of interest on the Bonds.

In the opinion of Greenberg Traurig, LLP, Phoenix, Arizona, Bond Counsel ("Bond Counsel"), assuming the accuracy of certain representations and certifications of the District and continuing compliance by the District and Brookfield with the tax covenants referred to above, under existing statutes, regulations, rulings and court decisions, the interest on the Bonds will be excludable from gross income of the owners thereof for federal income tax purposes. Interest on the Bonds will not be an item of tax preference for purposes of the federal alternative minimum tax imposed on individuals, but in the case of the alternative minimum tax imposed by Section 55(b)(2) of the Code on applicable corporations (as defined in Section 59(k) of the Code), interest on the Bonds is not excluded from the determination of adjusted financial statement income. Bond Counsel is further of the opinion that the interest on the Bonds will be exempt from income taxation under the laws of the State. Bond Counsel will express no opinion as to any other tax consequences regarding the Bonds. Prospective purchasers of the Bonds should consult with their own tax advisors as to the status of interest on the Bonds under the tax laws of any state other than the State.

The above opinion on federal tax matters with respect to the Bonds will be based on and will assume the accuracy of certain representations and certifications of the District, and compliance with certain covenants of the District and Brookfield to be contained in the transcript of proceedings and that are intended to evidence and assure the foregoing, including that the Bonds will be and will remain obligations the interest on which is excludable from gross income for federal income tax purposes. Bond Counsel will not independently verify the accuracy of those certifications and representations. Bond Counsel will express no opinion as to any other consequences regarding the Bonds.

Except as described above, Bond Counsel will express no opinion regarding the federal income tax consequences resulting from the receipt or accrual of the interest on the Bonds, or the ownership or disposition of the Bonds. Prospective purchasers of Bonds should be aware that the ownership of Bonds may result in other collateral federal tax consequences, including (i) the denial of a deduction for interest on indebtedness incurred or continued to purchase or carry the Bonds, (ii) the reduction of the loss reserve deduction for property and casualty insurance companies by the applicable statutory percentage of certain items, including the interest on the Bonds, (iii) the inclusion of the interest on the Bonds in the earnings of certain foreign corporations doing business in the United States for purposes of a branch profits tax, (iv) the inclusion of the interest on the Bonds in the passive income subject to federal income taxation of certain Subchapter S corporations with Subchapter C earnings and profits at the close of the taxable year, (v) the inclusion of interest on the Bonds in the determination of the taxability of certain Social Security and Railroad Retirement benefits to certain recipients of such benefits, (vi) net gain realized upon the sale or other disposition of property such as the Bonds generally must be taken into account when computing the Medicare tax with respect to net investment income or undistributed net investment income, as applicable, imposed on certain high income individuals and specified trusts and estates, and (vii) receipt of certain investment income, including interest on the Bonds, is considered when determining qualification limits for obtaining the earned income credit provided by Section 32(a) of the Code. The nature and extent of the other tax consequences described above will depend on the particular tax status and situation of each owner of the Bonds. Prospective purchasers of the Bonds should consult their own tax advisors as to the impact of these other tax consequences.

Bond Counsel's opinions are based on existing law, which is subject to change. Such opinions are further based on factual representations made to Bond Counsel as of the date thereof. Bond Counsel assumes no duty to update or supplement its opinions to reflect any facts or circumstances that may thereafter come to Bond Counsel's attention, or to reflect any changes in law that may thereafter occur or become effective. Moreover, Bond Counsel's opinions are not a guarantee of a particular result, and are not binding on the Service or the courts; rather, such opinions represent

Bond Counsel's professional judgment based on its review of existing law, and in reliance on the representations and covenants that it deems relevant to such opinion.

### **Original Issue Discount and Original Issue Premium**

Certain of the Bonds ("Discount Bonds") may be offered and sold to the public at an original issue discount ("OID"). OID is the excess of the stated redemption price at maturity (the principal amount) over the "issue price" of a Discount Bond determined under Code Section 1273 or 1274 (i.e., for obligations issued for money in a public offering, the initial offering price to the public (other than to bond houses and brokers) at which a substantial amount of the obligation of the same maturity is sold pursuant to that offering). For federal income tax purposes, OID accrues to the owner of a Discount Bond over the period to maturity based on the constant yield method, compounded semiannually (or over a shorter permitted compounding interval selected by the owner). The portion of OID that accrues during the period of ownership of a Discount Bond (i) is interest excludable from the owner's gross income for federal income tax purposes to the same extent, and subject to the same considerations discussed above, as other interest on the Bonds, and (ii) is added to the owner's tax basis for purposes of determining gain or loss on the maturity, redemption, prior sale or other disposition of that Discount Bond.

Certain of the Bonds ("Premium Bonds") may be offered and sold to the public at a price in excess of their stated redemption price (the principal amount) at maturity (or earlier for certain Premium Bonds callable prior to maturity). That excess constitutes bond premium. For federal income tax purposes, bond premium is amortized over the period to maturity of a Premium Bond, based on the yield to maturity of that Premium Bond (or, in the case of a Premium Bond callable prior to its stated maturity, the amortization period and yield may be required to be determined on the basis of an earlier call date that results in the lowest yield on that Premium Bond), compounded semiannually (or over a shorter permitted compounding interval selected by the owner). No portion of that bond premium is deductible by the owner of a Premium Bond. For purposes of determining the owner's gain or loss on the sale, redemption (including redemption at maturity) or other disposition of a Premium Bond, the owner's tax basis in the Premium Bond is reduced by the amount of bond premium that accrues during the period of ownership. As a result, an owner may realize taxable gain for federal income tax purposes from the sale or other disposition of a Premium Bond for an amount equal to or less than the amount paid by the owner for that Premium Bond.

Owners of Discount Bonds and Premium Bonds should consult their own tax advisors as to the determination for federal income tax purposes of the amount of OID or bond premium properly accruable or amortizable in any period with respect to the Discount Bonds or Premium Bonds and as to other federal tax consequences, and the treatment of OID and bond premium for purposes of state and local taxes on, or based on, income.

### **Changes in Federal and State Tax Law**

From time to time, there are legislative proposals suggested, debated, introduced or pending in Congress or in the State legislature that, if enacted into law, could alter or amend one or more of the federal tax matters, or State tax matters, respectively, described above including, without limitation, the excludability from gross income of interest on the Bonds, adversely affect the market price or marketability of the Bonds, or otherwise prevent the holders from realizing the full current benefit of the status of the interest thereon. It cannot be predicted whether or in what form any such proposal may be enacted, or whether, if enacted, any such proposal would affect the Bonds. Prospective purchasers of the Bonds should consult their tax advisors as to the impact of any proposed or pending legislation.

### **Information Reporting and Backup Withholding**

Interest paid on tax-exempt bonds such as the Bonds is subject to information reporting to the Service in a manner similar to interest paid on taxable obligations. This reporting requirement does not affect the excludability of interest on the Bonds from gross income for federal income tax purposes. However, in conjunction with that information reporting requirement, the Code subjects certain non-corporate owners of the Bonds, under certain circumstances, to "backup withholding" at the rates set forth in the Code, with respect to payments on the Bonds and proceeds from the sale of the Bonds. Any amount so withheld would be refunded or allowed as a credit against the federal income tax of such owner of the Bonds. This withholding generally applies if the owner of the Bonds (i) fails to furnish the payor such owner's social security number or other taxpayer identification number ("TIN"), (ii) furnished the payor an

incorrect TIN, (iii) fails to properly report interest, dividends, or other “reportable payments” as defined in the Code, or (iv) under certain circumstances, fails to provide the payor or such owner’s securities broker with a certified statement, signed under penalty of perjury, that the TIN provided is correct and that such owner is not subject to backup withholding. Prospective purchasers of the Bonds may also wish to consult with their tax advisors with respect to the need to furnish certain taxpayer information in order to avoid backup withholding.

## **RATING**

S&P is expected to assign the insured rating of “\_” (stable outlook) to the Bonds with the understanding that the Policy will be issued and delivered by the Bond Insurer simultaneously with the issuance of the Bonds. Such rating reflects only the view of S&P. An explanation of the significance of a rating assigned by S&P may be obtained at One California Street, 31<sup>st</sup> Floor, San Francisco, California 94111. Such rating may be revised or withdrawn entirely at any time by S&P if, in its judgment, circumstances so warrant. Any downward revision or withdrawal of such ratings may have an adverse effect on the market price or marketability of the Bonds. The District will covenant in its continuing disclosure certificate with respect to the Bonds that it will file notice of any formal change in any rating relating to the Bonds. See “CONTINUING DISCLOSURE” and APPENDIX C – “FORM OF CONTINUING DISCLOSURE UNDERTAKING” herein.

## **LEGAL MATTERS**

Legal matters incident to the issuance of the Bonds and with regard to the tax-exempt status of the interest thereon are subject to the legal opinion of Greenberg Traurig, LLP, Bond Counsel, a form of which is included herein as APPENDIX B. See “TAX EXEMPTION.” Signed copies of the opinion, dated and speaking only as of the date of delivery of the Bonds, will be delivered upon the initial delivery of the Bonds. Certain legal matters will be passed upon for the Underwriter by its counsel, Squire Patton Boggs (US) LLP, and for the Developer by its counsel, Barnes & Thornburg LLP.

The various legal opinions to be delivered concurrently with the delivery of the Bonds express the professional judgment of the attorneys rendering the opinions as to the legal issue explicitly addressed therein. By rendering a legal opinion, the opinion giver does not become an insurer of guarantor of that expression of professional judgment, of the transaction opined upon, or of the future performance of parties to the transaction. Nor does the rendering of an opinion guarantee the outcome of any legal dispute that may arise out of the transaction.

## **UNDERWRITING**

The Bonds will be purchased by Hilltop Securities Inc. (the “Underwriter”) at an aggregate purchase price of \$\_\_\_\_\_, pursuant to a purchase contract (the “Purchase Contract”) entered into by and between the District and the Underwriter. If the Bonds are sold to produce the prices or yields shown on the inside front cover page hereof, the Underwriter’s compensation will be \$\_\_\_\_\_. The Purchase Contract provides that the Underwriter will purchase all of the Bonds so offered if any are purchased. The Underwriter may offer and sell the Bonds to certain dealers (including dealers depositing the Bonds into unit investment trusts) and others at prices higher or yields lower than the public offering prices or yields stated on the inside front cover page hereof. The initial offering prices or yields set forth on the inside front cover page may be changed, from time to time, by the Underwriter.

## MUNICIPAL ADVISOR

The Municipal Advisor's fee for services rendered with respect to the sale of the Bonds is contingent upon the issuance and delivery of the Bonds. The Municipal Advisor has not verified, and does not assume any responsibility for, the information, covenants and representations contained in any of the legal documents with respect to the federal income tax status of the Bonds, or the possible impact of any present, pending or future actions taken by any legislative or judicial bodies.

The Municipal Advisor has provided the following sentence for inclusion in this Official Statement: "The Municipal Advisor has reviewed the information in this Official Statement in accordance with, and as part of, its responsibilities to the District and, as applicable, to investors under the federal securities laws as applied to the facts and circumstances of this transaction, but the Municipal Advisor does not guarantee the accuracy or completeness of such information."

## RELATIONSHIPS AMONG PARTIES

Barnes & Thornburg LLP has acted as counsel to the Underwriter in other transactions underwritten by the Underwriter and has acted as counsel to the Municipal Advisor in other transactions.

## CONTINUING DISCLOSURE

The District will covenant for the benefit of the owners of the Bonds to provide certain financial information and operating data relating to the District by not later than February 1 of each year, commencing February 1, 2027 (the "Annual Reports"), and to provide notices of the occurrence of certain enumerated events (the "Notices of Listed Events"). The method of filing of, and specific nature of the information to be contained in, the Annual Reports and the Notices of Listed Events are set forth herein in APPENDIX C – "FORM OF CONTINUING DISCLOSURE UNDERTAKING" which includes the form of undertaking which will be executed by the District with respect to the Bonds.

These covenants have been made in order to assist the Underwriter in complying with Rule 15c2-12(b)(5) of the SEC. The ability of the District to comply with such covenants will be subject to the annual appropriation of funds, sufficient to provide for the costs of compliance for such covenants. Should the District not comply with such covenants, it has covenanted to provide notice of such fact as it would for a Notice of Listed Event. A failure to provide continuing disclosure may adversely affect the transferability and liquidity of the Bonds and their market price.

### ***[To be confirmed upon receipt of the District's third-party continuing disclosure report]***

The District entered into a continuing disclosure undertaking with respect to previously issued general obligation bonds that requires the filing of the Annual Reports on or before February 1 of each year. The District did not file the Annual Reports for the fiscal year ended June 30, 2022 until May 9, 2023. The District has implemented procedures to facilitate compliance with its continuing disclosure undertakings.

[Closing Date]

Board of Directors  
Alamar Community Facilities District

11465 West Civic Center Drive  
Avondale, Arizona 85323

Re: Alamar Community Facilities District (Avondale, Arizona) General Obligation Bonds,  
Series 2026

We have acted as Bond Counsel in connection with the issuance by Alamar Community Facilities District (hereinafter referred to as the “Issuer”) of the captioned Bonds, dated the date hereof (hereinafter referred to as the “Bonds”).

We have examined, and in rendering the opinions herein have relied upon, original or certified copies of the proceedings had in connection with issuance of the Bonds; certifications made by officers of the Issuer relating to, among other things, the expected use of proceeds of the sale of the Bonds and certain other funds of the Issuer and to certain other facts within the knowledge and control of such officers; representations made by the officers of Brookfield Lakin LLC , Brookfield Communities US Holdings LLC and North America Sekisui House, LLC (hereinafter referred to, collectively, as “Brookfield”), as to plans to develop and sell land owned within the boundaries of the Issuer and such other material and matters of law as we deem relevant to the matters discussed hereinbelow. In such examination, we have assumed the authenticity of all documents submitted to us as originals, the conformity to original copies of all documents submitted to us as certified or photostatic copies and the accuracy of the statements contained in such certifications and representations. As to any facts material to our opinion, we have, when relevant facts were not independently established, relied upon the aforesaid proceedings, certifications, representations, material and matters.

We are of the opinion, based upon such examination and subject to the reliances, assumptions and exceptions hereinabove and hereinafter set forth, that, under applicable law of the State of Arizona and federal law of the United States of America in force and effect on the date hereof:

1. The Bonds are valid and legally binding obligations of the Issuer payable from the sources, and enforceable in accordance with the terms and conditions, described therein, except to the extent that the enforceability thereof and provisions for the security therefor may be affected by bankruptcy, insolvency, reorganization, moratorium or other similar laws affecting creditors’ rights or the exercise of judicial discretion in accordance with general principles of equity.

2. The Issuer is to annually levy and cause an *ad valorem* tax to be collected, at the same time and in the same manner as other taxes are levied and collected on all taxable property within the boundaries of the Issuer, sufficient to pay debt service on the Bonds when due. All of the taxable property within the Issuer is subject to the levy of a tax, without limitation as to rate or amount, to pay the principal of and interest on the Bonds.

3. Under existing statutes, regulations, rulings and court decisions, subject to the reliance and assumption stated in the last sentence of this paragraph, interest on the Bonds is excludable from the gross income of the owners thereof for federal income tax purposes.

Furthermore, interest on the Bonds is not an item of tax preference for purposes of the federal alternative minimum tax imposed on individuals. In the case of the alternative minimum tax imposed by Section 55(b)(2) of the Internal Revenue Code of 1986, as amended (hereinafter referred to as the “Code”) on applicable corporations (as defined in Section 59(k) of the Code), interest on the Bonds is not excluded from the determination of adjusted financial statement income. (We express no opinion regarding other federal tax consequences resulting from the ownership, receipt or accrual of interest on, or disposition of, the Bonds.) The Code includes requirements which the Issuer and Brookfield must continue to meet after the issuance of the Bonds in order that interest on the Bonds not be included in gross income for federal income tax purposes. The failure of the Issuer or Brookfield to meet these requirements may cause interest on the Bonds to be included in gross income for federal income tax purposes retroactive to their date of issuance. Officers of the Issuer and Brookfield have either indicated their compliance with, or covenanted to take the actions required by, applicable provisions of the Code in order to maintain the exclusion from gross income for federal income tax purposes of interest on the Bonds. In rendering the opinion expressed above, we have relied on certifications of officers of the Issuer and Brookfield with respect to certain matters necessary for, and have assumed continuing compliance with certain covenants by the Issuer and Brookfield included in, respectively, the resolution authorizing the issuance of the Bonds and a District Development, Financing Participation, Waiver and Intergovernmental Agreement (Alamar Community Facilities District), dated as of October 1, 2018, as amended, by and among the Issuer, the City of Avondale, Arizona and Brookfield (which are, as to their enforceability, subject to the same exceptions described in paragraph 1 hereinabove) that must be met after the issuance of the Bonds in order that, interest on the Bonds not be included in gross income for federal tax purposes.

4. The interest on the Bonds is exempt from income taxation under the laws of the State of Arizona. (We express no opinion regarding other state tax consequences resulting from the receipt or accrual of interest on, or disposition or ownership of, the Bonds.)

This opinion represents our legal judgment based upon our review of the law and the facts we deem relevant to render such opinion and is not a guarantee of a result. This opinion is given as of the date hereof, and we assume no obligation to review or supplement this opinion to reflect any facts or circumstances that may hereafter come to our attention or any changes in law that may hereafter occur.

Respectfully submitted,

Section 5. Amendment or Waiver.

(a) Notwithstanding any other provision of this Undertaking, the Issuer may amend this Undertaking, and any provision of this Undertaking may be waived, if such amendment or waiver is supported by an opinion of counsel expert in federal securities laws, to the effect that (i) such amendment or waiver is made in connection with a change in circumstances that arises from a change in legal requirements, change in law or change in the identity, nature or status of the Issuer or type of business conducted; (ii) this Undertaking, as amended or affected by such waiver, would have complied with the requirements of the Rule at the time of the primary offering of the Securities, after taking into account any amendments or interpretations of the Rule, as well as any change in circumstances and (iii) such amendment or waiver does not materially impair the interests of the owners of the Securities, as determined either by parties (such as bond counsel) unaffiliated with the Issuer or by an approving vote of the registered owners of the Securities pursuant to the terms of the Authorizing Document at the time of the amendments.

(b) The Annual Report containing amended operating data or financial information resulting from such amendment or waiver, if any, shall explain, in narrative form, the reasons for the amendment or waiver and the impact of the change in the type of operating data or financial information being provided. If an amendment or waiver is made specifying the accounting principles to be followed in preparing financial statements, the Annual Report for the year in which the change is made shall present a comparison between the financial statements or information prepared on the basis of the new accounting principles and those prepared on the basis of the former accounting principles. Such comparison shall include a qualitative discussion of the differences in the accounting principles and the impact of the change in the accounting principles on the presentation of the financial information in order to provide information to investors to enable them to evaluate the ability of the Issuer to meet its obligations. To the extent reasonably feasible, such comparison also shall be quantitative. ***IF THE ACCOUNTING PRINCIPLES OF THE ISSUER CHANGE, THE ISSUER SHALL, OR SHALL CAUSE THE DISSEMINATION AGENT TO, FILE A NOTICE OF SUCH CHANGE IN THE SAME MANNER AS FOR A NOTICE OF LISTED EVENT.***

Section 6. Additional Information. Nothing in this Undertaking shall be deemed to prevent the Issuer from disseminating any other information, using the means of dissemination set forth in this Undertaking or any other means of communication, or including any other information in any Annual Report or Notice of Listed Event, in addition to that which is required by this Undertaking. If the Issuer chooses to include any information in any Annual Report or Notice of Listed Event in addition to that which is specifically required by this Undertaking, the Issuer shall have no obligation under this Undertaking to update such information or include it in any future Annual Report or Notice of Listed Event.

Section 7. Default. In the event of a failure of the Issuer to comply with any provision of this Undertaking, any owner of a Security for the benefit of which this Undertaking is being provided may take such actions as may be necessary and appropriate, including seeking mandamus or specific performance by court order, to cause the Issuer to comply with its obligations under this Undertaking. A default under this Undertaking shall not be deemed an event of default for other purposes of the Authorizing Document, and the sole remedy under this Undertaking in the event of any failure of the Issuer to comply with this Undertaking shall be an action to compel performance.

Section 8. Non-Appropriation. The performance by the Issuer of its obligations in this Undertaking shall be subject to the annual appropriation of any funds that may be necessary to permit such performance. In the event of a failure by the Issuer to comply with its covenants under this Undertaking due to a failure to appropriate the necessary funds, the Issuer covenants to provide prompt notice of such fact to the Municipal Securities Rulemaking Board through EMMA.

Section 9. Dissemination Agent. The Issuer may, from time to time, appoint or engage a Dissemination Agent to assist the Issuer in satisfying the obligations of the Issuer hereunder and may discharge any such Dissemination Agent, with or without appointing a successor Dissemination Agent.

Section 10. Duties, Immunities and Liabilities of Dissemination Agent. The Dissemination Agent shall have only such duties as are specifically set forth in this Undertaking and the applicable, related agency agreement, and, to the extent permitted by applicable law, the Issuer shall indemnify and save the Dissemination Agent, its officers, directors, employees and agents, harmless for, from and against any loss, expense and liabilities which the Dissemination Agent may incur arising out of or in the exercise or performance of the powers and duties of the Dissemination Agent pursuant to this Undertaking and the applicable, related agency agreement, including the costs and expenses (including attorneys' fees) of defending against any claim of liability, but excluding liabilities due to the gross negligence or willful misconduct of the Dissemination Agent. The obligations of the Issuer under this Section shall survive resignation or removal of the Dissemination Agent and payment of the Securities.

### BOOK-ENTRY-ONLY SYSTEM

The Depository Trust Company (“DTC”) will act as securities depository for the Bonds. The Bonds will be issued as fully-registered securities registered in the name of Cede & Co. (DTC’s partnership nominee) or such other name as may be requested by an authorized representative of DTC. One fully-registered Bond will be issued for each maturity of the Bonds, each in the aggregate principal amount of such maturity, and will be deposited with DTC or held by the Bond Registrar and Paying Agent for DTC.

DTC, the world’s largest securities depository, is a limited-purpose trust company organized under the New York Banking Law, a “banking organization” within the meaning of the New York Banking Law, a member of the Federal Reserve System, a “clearing corporation” within the meaning of the New York Uniform Commercial Code, and a “clearing agency” registered pursuant to the provisions of Section 17A of the Securities Exchange Act of 1934. DTC holds and provides asset servicing for over 3.5 million issues of U.S. and non-U.S. equity issues, corporate and municipal debt issues, and money market instruments (from over 100 countries) that DTC’s participants (“Direct Participants”) deposit with DTC. DTC also facilitates the post-trade settlement among Direct Participants of sales and other securities transactions in deposited securities, through electronic computerized book-entry transfers and pledges between Direct Participants’ accounts. This eliminates the need for physical movement of securities certificates. Direct Participants include both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, clearing corporations, and certain other organizations. DTC is a wholly-owned subsidiary of The Depository Trust & Clearing Corporation (“DTCC”). DTCC is the holding company for DTC, National Securities Clearing Corporation and Fixed Income Clearing Corporation, all of which are registered clearing agencies. DTCC is owned by the users of its regulated subsidiaries. Access to the DTC system is also available to others such as both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, and clearing corporations that clear through or maintain a custodial relationship with a Direct Participant, either directly or indirectly (“Indirect Participants” and together with the Direct Participants, the “Participants”). DTC has Standard & Poor’s rating of: “AA+.” The DTC Rules applicable to its Participants are on file with the Securities and Exchange Commission. More information about DTC can be found at [www.dtcc.com](http://www.dtcc.com).

Purchases of the Bonds under the DTC system must be made by or through Direct Participants, which will receive a credit for the Bonds on DTC’s records. The ownership interest of each actual purchaser of each Bond (“Beneficial Owner”) is in turn to be recorded on the Direct and Indirect Participants’ records. Beneficial Owners will not receive written confirmation from DTC of their purchase. Beneficial Owners are, however, expected to receive written confirmations providing details of the transaction, as well as periodic statements of their holdings, from the Direct or Indirect Participant through which the Beneficial Owner entered into the transaction. Transfers of ownership interests in the Bonds are to be accomplished by entries made on the books of Direct and Indirect Participants acting on behalf of Beneficial Owners. Beneficial Owners will not receive certificates representing their ownership interests in the Bonds, except in the event that use of the book-entry system for the Bonds is discontinued.

To facilitate subsequent transfers, all Bonds deposited by Direct Participants with DTC are registered in the name of DTC’s partnership nominee, Cede & Co., or such other name as may be requested by an authorized representative of DTC. The deposit of Bonds with DTC and their registration in the name of Cede & Co. or such other DTC nominee do not affect any change in beneficial ownership. DTC has no knowledge of the actual Beneficial Owners of the Bonds; DTC’s records reflect only the identity of the Direct Participants to whose accounts such Bonds are credited, which may or may not be the Beneficial Owners. The Direct and Indirect Participants will remain responsible for keeping account of their holdings on behalf of their customers.

Conveyance of notices and other communications by DTC to Direct Participants, by Direct Participants to Indirect Participants, and by Direct Participants and Indirect Participants to Beneficial Owners will be governed by arrangements among them, subject to any statutory or regulatory requirements as may be in effect from time to time. Beneficial Owners of the Bonds may wish to take certain steps to augment the transmission to them of notices of significant events with respect to the Bonds, such as redemptions, tenders, defaults, and proposed amendments to the Bond documents. For example, Beneficial Owners of the Bonds may wish to ascertain that the nominee holding the

Bonds for their benefit has agreed to obtain and transmit notices to Beneficial Owners. In the alternative, Beneficial Owners may wish to provide their names and addresses to the Bond Registrar and Paying Agent and request that copies of notices be provided directly to them.

Redemption notices shall be sent to DTC. If less than all of the Bonds within an issue are being redeemed, DTC's practice is to determine by lot the amount of the interest of each Direct Participant in such issue to be redeemed.

Neither DTC nor Cede & Co. (nor any other DTC nominee) will consent or vote with respect to Bonds unless authorized by a Direct Participant in accordance with DTC's MMI Procedures. Under its usual procedures, DTC mails an Omnibus Proxy to the District as soon as possible after the record date. The Omnibus Proxy assigns Cede & Co.'s consenting or voting rights to those Direct Participants to whose accounts Bonds are credited on the record date (identified in a listing attached to the Omnibus Proxy).

Payment of principal of and interest on the Bonds and the redemption price of any Bond will be made to Cede & Co., or such other nominee as may be requested by an authorized representative of DTC. DTC's practice is to credit Direct Participants' accounts upon DTC's receipt of funds and corresponding detail information from the District or the Bond Registrar and Paying Agent, on payable date in accordance with their respective holdings shown on DTC's records. Payments by Participants to Beneficial Owners will be governed by standing instructions and customary practices, as is the case with securities held for the accounts of customers in bearer form or registered in "street name," and will be the responsibility of such Participant and not of DTC, the Bond Registrar and Paying Agent or the District, subject to any statutory or regulatory requirements as may be in effect from time to time. Payment of principal of and interest on the Bonds and the redemption price of any Bonds will be made to Cede & Co. (or such other nominee as may be requested by an authorized representative of DTC) is the responsibility of the District or Bond Registrar and Paying Agent, disbursement of such payments to Direct Participants will be the responsibility of DTC, and disbursement of such payments to the Beneficial Owners will be the responsibility of Direct and Indirect Participants.

DTC may discontinue providing its services as depository with respect to the Bonds at any time by giving reasonable notice to the District or the Bond Registrar and Paying Agent. Under such circumstances, in the event that a successor depository is not obtained, certificates are required to be printed and delivered.

The District may decide to discontinue use of the system of book-entry-only transfers through DTC (or a successor securities depository). In that event, certificates will be printed and delivered to DTC.

The information in this section concerning DTC and DTC's book-entry system has been obtained from sources that the District believes to be reliable, but none of the District, the Developer, Bond Counsel, the Municipal Advisor, the Underwriter or counsel to any of them takes responsibility for the accuracy thereof.

In the event of a request to the Bond Registrar and Paying Agent by any person other than such representative of the District for inspection of the Register, the Bond Registrar and Paying Agent shall notify the District and shall not permit that inspection unless it is approved by

Pursuant to Resolution No. 2-2018, adopted by the District Board on November 19, 2018, the District Board found and determined that a majority of the votes cast by the qualified electors voting at the Election voted “Bonds, Yes” and that the Bonds in up to and including \$70,000,000 aggregate principal amount are therefore authorized to be sold and issued.

i. Pursuant to CFD Resolution No. 3-2021, adopted by the District Board on June 7, 2021, the District Board caused the sale and issuance of the first series of the Bonds, dated September 9, 2021 (hereinafter referred to as the “First Series of the Bonds”), in the principal amount of \$15,979.52 to provide funds for expenses of the District incident and reasonably necessary to carry out the purposes specified in the Act. The First Series of the Bonds has been paid in full.

j. Pursuant to CFD Resolution No. 4-2022, adopted by the District Board on June 13, 2022, the District Board caused the sale and issuance of the second series of the Bonds, dated July 14, 2022 (hereinafter referred to as the “Second Series of the Bonds”), in the principal amount of \$3,675,000 to finance certain projects relating to public infrastructure provided in the General Plan. A portion of the Second Series of the Bonds remains outstanding and unpaid.

k. Pursuant to CFD Resolution No. 4-2023, adopted by the District Board on June 5, 2023, the District Board caused the sale and issuance of the third series of the Bonds, dated July 13, 2023 (hereinafter referred to as the “Third Series of the Bonds”), in the principal amount of \$2,955,000 to finance certain projects relating to public infrastructure provided in the General Plan. A portion of the Third Series of the Bonds remains outstanding and unpaid.

l. Pursuant to CFD Resolution No. 2-2025, adopted by the District Board on May 19, 2025, the District Board caused the sale and issuance of the fourth series of the

Bonds, dated June 17, 2025 (hereinafter referred to as the “Fourth Series of the Bonds”), in the principal amount of \$5,725,000 to finance certain projects relating to public infrastructure provided in the General Plan. A portion of the Fourth Series of the Bonds remains outstanding and unpaid.

m. Pursuant to Section 48-715, Arizona Revised Statutes and the Organizational Resolution, the District Board has caused a report of the feasibility and benefits of certain projects relating to public infrastructure provided for in the General Plan and to be financed with proceeds of the sale of a fifth series of Bonds (hereinafter referred to as the “Fifth Series of the Bonds”) to be prepared, such report having included a description of certain public infrastructure to be acquired and all other information useful to understand the projects to be acquired with the proceeds of the sale of the Fifth Series of the Bonds, a map showing, in general, the location of such projects, an estimate of the cost to construct, acquire, operate and maintain such projects, an estimated schedule for completion of such projects, a map or description of the area to be benefitted by such projects and a plan for financing such projects (hereinafter referred to as the “Report”). A public hearing on the Report was held immediately preceding the adoption of this Resolution (hereinafter referred to as the “Report Hearing”), after provision for publication of notice thereof as provided by law.

n. It has been requested that the District Board cause the District to acquire certain of the public infrastructure described in the General Plan which was the subject of the Report (hereinafter referred to as the “Projects”) described in the Development Agreement, and the District Board hereby determines that the District should acquire the Projects as described in the Development Agreement.

o. Pursuant to Section 48-719, Arizona Revised Statutes, the District Board (1) hereby determines to authorize the sale and issuance of the Fifth Series of the Bonds to provide funds to acquire the Projects, and (2) shall enter in its minutes a record of the Fifth Series of the Bonds sold and their numbers and dates and levy and cause an *ad valorem* tax to be collected, at the same time and in the same manner as other taxes are levied and collected on all taxable property in the boundaries of the District sufficient to pay debt service with respect to the Fifth Series of the Bonds when due.

p. In order to provide for authentication and delivery of the Fifth Series of the Bonds and subsequent matters with respect thereto, the District Board hereby determines to authorize the execution and delivery of a Series 2026 Bond Registrar and Paying Agent Agreement, to be dated as of the first day of the month of the dated date of the Fifth Series of the Bonds (hereinafter referred to as the “Agency Agreement”), by and between the District and U.S. Bank Trust Company, National Association (hereinafter called the “Bond Registrar and Paying Agent”).

q. The District Board hereby also determines to enter into a Series 2026 Continuing Disclosure Undertaking, to be dated even date with the delivery of the Fifth Series of the Bonds (hereinafter referred to as the “Undertaking”), necessary for purposes of Rule 15c2-12 adopted by the Securities and Exchange Commission under the Securities Exchange Act of 1934, as amended (hereinafter referred to as the “Rule”).

r. There have been placed on file with the District Clerk of the District and presented to the District Board, in connection with the purposes described in paragraphs 1.m. through q., the proposed forms of (1) the Agency Agreement, (2) the Undertaking, and (3) the Preliminary Official Statement relating to the Bonds, to be dated the date of the dissemination thereof (hereinafter referred to as the "Preliminary Official Statement"). (The documents described in Clauses (1) and (2) are hereinafter referred to, collectively with the hereinafter defined Bond Purchase Agreement, as the "Bond Documents.")

s. The District Board hereby further determines that (1) the proposed amount of indebtedness evidenced by the Fifth Series of the Bonds will not exceed the estimated cost of the public infrastructure improvements to be financed with the proceeds of the sale thereof plus all costs connected with the public infrastructure purposes related thereto and sale and issuance of the Fifth Series of the Bonds, and (2) the total aggregate outstanding amount of the Second Series of the Bonds, the Third Series of the Bonds, the Fourth Series of the Bonds and the Fifth Series of the Bonds will not exceed sixty percent (60%) of the aggregate of the estimated market value of the real property and improvements in the District after the public infrastructure of the District is completed plus the value of the public infrastructure acquired or to be acquired by the District with proceeds of the Second Series of the Bonds, the Third Series of the Bonds, the Fourth Series of the Bonds and the Fifth Series of the Bonds, all as provided in Section 48-708, Arizona Revised Statutes.

t. All formal actions concerning and relating to the passage of this Resolution were taken in an open meeting, in compliance with all legal requirements, and all things required to be done preliminary to the authorization, sale and issuance of the Fifth Series of the Bonds have been duly done and performed in the manner required by law, and the District Board is now empowered to proceed with the sale and issuance of the Fifth Series of the Bonds.

2. a. Authorization and Ratification of Notice of Hearing on Report. Notice of the public hearing on the Report provided by the District Manager and attached as Exhibit "A" hereto (hereinafter referred to as the "Notice") is hereby authorized and ratified in all respects as well as the mailing of the Report and the Notice to the governing body of the Municipality. The providing of the Notice as provided by law and as caused by the District Manager is hereby authorized and ratified.

b. Preparation of Report. The preparation of the Report is hereby ratified and confirmed. (Upon completion of a draft of the Report, the Report, marked in a conspicuous fashion "DRAFT," was submitted to the District Board for their review and comment.)

c. Approval of Report. After review of the Report and based on the Report Hearing and the mailing of the Report to the governing body of the Municipality, the Report is hereby approved in the form submitted to the District Board, and, subject to the provisions set forth in the Report, such reasonable actions shall be taken as may be necessary to cause the results contemplated by and set forth in the Report, including particularly the acquisition of the Projects for the benefit of the areas described in the Report and the consummation of the expected method of financing, and an appropriate system of providing revenues or other means to maintain, the Projects, all as provided in the Report. The Projects will result in a beneficial use to land within the geographical limits of the District. Such use is principally to such land and, in any case, at a

minimum, is proportional. (Based on review of the Report and the Report Hearing, the District hereby conclusively establishes that the Projects will result in such use.)

3. a. Approval of Sale and Issuance of Fifth Series of the Bonds. The Fifth Series of the Bonds are hereby authorized to be issued as a series of general obligation bonds of the District to be designated “General Obligation Bonds, Series 2026.” The District Manager and the District Treasurer are each hereby authorized and directed to determine on behalf of the District: (1) the dated date and aggregate principal amount (but not to exceed \$4,000,000) of the Fifth Series of the Bonds; (2) the final principal and maturity schedule of the Fifth Series of the Bonds (but none of the Fifth Series of the Bonds to mature later than July 15, 2051); (3) the interest rate on each maturity of the Fifth Series of the Bonds and the dates for payment of such interest (hereinafter referred to as “interest payment dates”); (4) the provisions for redemption in advance of maturity of the Fifth Series of the Bonds; (5) the sales date, sales price and other terms of sale of the Fifth Series of the Bonds; (6) the identity of the Bond Registrar and Paying Agent; and (7) the provisions for credit enhancement, if any, for the Fifth Series of the Bonds upon the advice of Hilltop Securities Inc. (hereinafter referred to as the “Underwriter”); provided, however, that the foregoing determinations must result in a yield with respect to the Fifth Series of the Bonds, calculated for federal income tax purposes, of not to exceed six percent (6%). The Fifth Series of the Bonds shall be sold to the Underwriter in accordance with the terms of a Bond Purchase Agreement with the Underwriter, in substantially the same form as that used in connection with the sale of the District’s General Obligation Bonds, Series 2025, with such changes as are approved by the District Manager and the District Treasurer, and at a price specified therein with original issue discount, original issue premium and underwriter’s compensation in an amount, in each case, as determined by the District Manager and the District Treasurer who are each hereby authorized and directed to so determine such matters.

b. Forms, Terms and Provisions, and Execution and Delivery, of Fifth Series of the Bonds.

1. The Fifth Series of the Bonds shall be issued in denominations of \$5,000 of principal amount and integral multiples in excess thereof and only in fully registered form and shall bear interest from their date to the maturity or prior redemption of each bond of the Fifth Series of the Bonds, payable on the interest payment dates.

2. The principal of, and premium, if any, and interest on, the Fifth Series of the Bonds shall be payable in lawful money of the United States of America. The principal of and premium, if any, on the Fifth Series of the Bonds shall be payable at maturity or prior redemption upon presentation and surrender thereof at the designated corporate trust office of the Bond Registrar and Paying Agent, and interest on the Fifth Series of the Bonds shall be payable by check, dated as of the interest payment date, mailed to the registered owners thereof, as shown on the registration books maintained by the Bond Registrar and Paying Agent at the address appearing therein at the close of business on the first (1st) day of the month of that interest payment date (hereinafter referred to as the “regular record date”). Any such interest on a bond of the Fifth Series of the Bonds which is not timely paid or duly provided for shall cease to be payable to the registered owner thereof (or of one or more predecessor Fifth Series of the Bonds) as of the regular record date, and shall be payable to the registered owner thereof (or of one or more predecessor Fifth Series of the Bonds) at the close of business on a special record date for the payment of that overdue interest. The special record date shall be fixed by the Bond Registrar and

Paying Agent whenever moneys become available for payment of the overdue interest, and notice of the special record date shall be given to the registered owners of Fifth Series of the Bonds not less than ten (10) days prior thereto.

3. (A) Notice of redemption of any bond of the Fifth Series of the Bonds shall be mailed by first class mail, postage prepaid, not more than sixty (60) nor less than thirty (30) days prior to the date set for redemption to the registered owners of the Fifth Series of the Bonds being redeemed at the address shown on the registration books for the Fifth Series of the Bonds maintained by the Bond Registrar and Paying Agent. If moneys for the payment of the redemption price are not held on behalf of registered owners of the Fifth Series of the Bonds affected thereby prior to sending the notice of redemption, such redemption shall be conditional on such moneys being so held on or prior to the redemption date and if not so held by the redemption date the redemption shall be cancelled and be of no force and effect. The notice of redemption shall describe the conditional nature of the redemption. Failure to properly give notice of redemption shall not affect the redemption of any bond of the Fifth Series of the Bonds for which notice was properly given.

(B) On the date designated for redemption by notice given as herein provided, the Fifth Series of the Bonds or portions thereof to be redeemed shall become and be due and payable at the redemption price for such Fifth Series of the Bonds or such portions thereof on such date, and, if moneys for payment of the redemption price are held in separate accounts by the Bond Registrar and Paying Agent, interest on such Fifth Series of the Bonds or such portions thereof shall cease to accrue, such Fifth Series of the Bonds or such portions thereof shall cease to be entitled to any benefit or security hereunder, the registered owners of such Fifth Series of the Bonds or such portions thereof shall have no rights in respect thereof except to receive payment of the redemption price thereof and accrued interest thereon and such Fifth Series of the Bonds or such portions thereof shall be deemed paid and no longer outstanding.

(C) The District may redeem by random method any amount which is included in a bond of the Fifth Series of the Bonds in the denomination in excess of, but divisible by, \$5,000. In that event, the registered owner shall submit such bond for partial redemption, the Bond Registrar and Paying Agent shall make such partial payment and shall cause to be issued a new bond in a principal amount which reflects the redemption so made, to be authenticated and delivered to the registered owner thereof.

(D) Any bond of the Fifth Series of the Bonds or portion thereof in authorized denominations shall be deemed paid and defeased and thereafter shall have no claim on *ad valorem* taxes levied on taxable property in the District (i) if there is deposited with a bank or comparable financial institution, in trust, moneys or obligations issued by or guaranteed by the United States government (hereinafter referred to as "Defeasance Obligations") or both which, with the maturing principal of and interest on such Defeasance Obligations, if any, will be sufficient, as evidenced by a certificate or report of an accountant, to pay the principal of and interest and any premium on such bond or portion thereof as the same matures, comes due or becomes payable upon prior redemption, and (ii) if such defeased bond or portion thereof is to be redeemed, notice of such redemption has been given in accordance with provisions hereof or the District has submitted to the Bond Registrar and Paying Agent instructions expressed to be irrevocable as to the date upon which such bond of the Fifth Series of the Bonds or portion thereof is to be redeemed and as to the giving of notice of such redemption. If the maturing principal of

the Defeasance Obligations or other moneys, or both, is sufficient to pay the principal of, premium, if any, and interest on such bond of the Fifth Series of the Bonds or portion thereof as the same matures, comes due or becomes payable upon prior redemption, a certificate or report of an accountant shall not be required. Bonds of the Fifth Series of the Bonds the payment of which has been provided for in accordance with this Section shall no longer be deemed payable or outstanding hereunder and thereafter such bonds shall be entitled to payment only from the moneys or Defeasance Obligations deposited to provide for the payment of such bonds.

4. (A) The bonds of the Fifth Series of the Bonds (including the form of certificate of authentication and form of assignment therefor) shall be in substantially the form set forth in Exhibit "B" attached hereto. There may be such necessary and appropriate omissions, insertions and variations as are permitted or required hereby or by the Bond Purchase Agreement and are approved by those officers executing the bonds of the Fifth Series of the Bonds in such form. Execution thereof by such officers shall constitute conclusive evidence of such approval.

(B) The bonds of the Fifth Series of the Bonds may have notations, legends or endorsements required by law, securities exchange rule or usage. Each bond of the Fifth Series of the Bonds shall show both the date of the issue and the date of authentication and registration of each Bond.

(C) The bonds of the Fifth Series of the Bonds are prohibited from being converted to coupon or bearer bonds without the consent of the District Board and approval of an attorney or firm of attorneys of nationally recognized standing in the field of law relating to municipal bonds selected by the District (hereinafter called "Bond Counsel").

(D) The bonds of the Fifth Series of the Bonds shall be executed for and on behalf of the District by the Chairman or Vice Chairman of the District Board and attested by the District Clerk. Such signatures may be by mechanical reproduction; however, such officers shall manually sign a certificate adopting as and for such signatures on the bonds of the Fifth Series of the Bonds the respective mechanically reproduced signatures affixed to such bonds.

(E) If an officer whose signature is on a bond of the Fifth Series of the Bonds no longer holds that office at the time such bond is authenticated and registered, such bond shall nevertheless be valid and binding so long as such bond would otherwise be valid and binding.

(F) A bond of the Fifth Series of the Bonds shall not be valid or binding until authenticated by the manual signature of an authorized representative of the Bond Registrar and Paying Agent. The signature of the authorized representative of the Bond Registrar and Paying Agent shall be conclusive evidence that such bond has been authenticated and issued pursuant to this Resolution.

5. In case any bond of the Fifth Series of the Bonds becomes mutilated or destroyed or lost, the District shall cause to be executed and delivered a new bond, of like type, date, maturity and tenor in exchange and substitution for and upon the cancellation of

such mutilated bond or in lieu of and in substitution for such bond destroyed or lost, upon the registered owner paying the reasonable expenses and charges of the District in connection therewith and, in the case of a bond destroyed or lost, filing with the Bond Registrar and Paying Agent by the registered owner evidence satisfactory to the Bond Registrar and Paying Agent that such bond was destroyed or lost, and furnishing the Bond Registrar and Paying Agent with a sufficient indemnity bond pursuant to Section 47-8405, Arizona Revised Statutes.

6. (A) A bond of the Fifth Series of the Bonds may be transferred on the registration books for the Fifth Series of the Bonds upon delivery and surrender of the bond to the Bond Registrar and Paying Agent at its designated corporate trust office, accompanied by a written instrument of transfer in form and with guaranty of signature satisfactory to the Bond Registrar and Paying Agent, duly executed by the registered owner of such bond, to be transferred or the attorney-in-fact or legal representative of such owner, containing written instructions as to the details of the transfer of such bond. No transfer of any bond of the Fifth Series of the Bonds shall be effective until entered on the registration books for the Fifth Series of the Bonds.

(B) In the event of the transfer of a bond of the Fifth Series of the Bonds, the Bond Registrar and Paying Agent shall enter the transfer of ownership in the registration books for the Fifth Series of the Bonds and shall authenticate and deliver in the name of the transferee or transferees a new fully registered bond or bonds of the same maturity and of authorized denominations (except that no bond shall be issued which relates to more than a single principal maturity) for the aggregate principal amount which the registered owner is entitled to receive at the earliest practicable time in accordance with the provisions of this Resolution.

(C) All costs and expenses of initial registration and payment of the Fifth Series of the Bonds shall be borne by the District, but the District and the Bond Registrar and Paying Agent shall charge the registered owner of such bond for every subsequent transfer of a bond, an amount sufficient to reimburse them for any transfer fee, tax or other governmental charge required to be paid with respect to such transfer and may require that such transfer fee, tax or other charge be paid before any such bond shall be delivered.

(D) The District and the Bond Registrar and Paying Agent shall not be required to issue or transfer any bond of the Fifth Series of the Bonds during a period beginning with the opening of business on any regular record date described in the form of such bond of the Fifth Series of the Bonds and ending with the close of business on the corresponding interest payment date.

(E) The bonds of the Fifth Series of the Bonds shall be subject to a Book-Entry System (as that term is hereinafter defined) of ownership and transfer, except as provided in Subsection (III) of this Subsection. The general provisions for effecting the Book-Entry System are as follows:

(I) The District hereby designates The Depository Trust Company as the initial Depository (as that term is hereinafter defined) hereunder.

(II) Notwithstanding the provisions of this Subsection or of the bonds of the Fifth Series of the Bonds to the contrary and so long as the bonds

of the Fifth Series of the Bonds are subject to a Book-Entry System, such bonds shall initially be evidenced by one typewritten certificate for each maturity, in an amount equal to the aggregate principal amount thereof. The bonds of the Fifth Series of the Bonds so initially delivered shall be registered in the name of "Cede & Co." as nominee for The Depository Trust Company. The bonds of the Fifth Series of the Bonds may not thereafter be transferred or exchanged on the registration books for the Fifth Series of the Bonds maintained by the Bond Registrar and Paying Agent except:

- to any successor Depository designated pursuant to Subsection (III) of this subsection;
- to any successor nominee designated by a Depository or if the District shall elect to discontinue the Book-Entry System pursuant to Subsection (III) of this Subsection, the District shall cause the Bond Registrar and Paying Agent to authenticate and deliver replacement bonds in fully registered form in authorized denominations in the names of the Beneficial Owners (as such term is hereinafter defined) or their nominees, as certified by the Depository, at the expense of the District; thereafter the other applicable provisions of this Resolution regarding registration, transfer and exchange of the bonds of the Fifth Series of the Bonds shall apply.

(III) The Bond Registrar and Paying Agent, pursuant to a request from the District for the removal or replacement of the Depository, and upon thirty (30) days' notice to the Depository, may remove or replace the Depository. The Bond Registrar and Paying Agent shall remove or replace the Depository at any time pursuant to the request of the District. The Depository may determine not to continue to act as Depository for the bonds of the Fifth Series of the Bonds upon thirty (30) days written notice to the District and the Bond Registrar and Paying Agent. If the use of the Book-Entry System is discontinued, then after the Bond Registrar and Paying Agent has made provision for notification of the Beneficial Owners of their book entry interests in the Fifth Series of the Bonds by appropriate notice to the then Depository, the District and the Bond Registrar and Paying Agent shall permit withdrawal of the bonds of the Fifth Series of the Bonds from the Depository and authenticate and deliver bond certificates in fully registered form and in denominations authorized by this Resolution to the assignees of the Depository or its nominee. Such withdrawal, authentication and delivery shall be at the cost and expense (including costs of printing or otherwise preparing, and delivering, such replacement bond certificates) of the District.

(IV) So long as the Book-Entry System is used for the bonds of the Fifth Series of the Bonds, the District and the Bond Registrar and Paying Agent shall give any notice of redemption or any other notices required to be given to registered owners of bonds only to the Depository or its nominee registered as the owner thereof. Any failure of the Depository to advise any of its participants, or of any participant to notify the Beneficial Owner, of any such notice and its content or effect shall not affect the validity of the redemption of the bonds of the Fifth Series of the Bonds to be redeemed or of any other action premised on such notice. Neither the District nor the Bond Registrar and Paying Agent shall be responsible or liable for the failure of the Depository or any participant thereof to make any payment or give any notice to a Beneficial Owner in respect of the bonds of the Fifth Series of the Bonds or any error or delay relating thereto.

(V) Notwithstanding any other provision of this Resolution or of the bonds of the Fifth Series of the Bonds to the contrary, so long as the bonds of the Fifth Series of the Bonds are subject to a Book-Entry System, it shall not be necessary for the registered owner to present the applicable bond for payment of mandatory redemption installments, if any. The mandatory redemption installments may be noted on books for the Fifth Series of the Bonds kept by the Bond Registrar and Paying Agent and the Depository for such purpose, and the bonds of the Fifth Series of the Bonds shall be tendered to the Bond Registrar and Paying Agent at their maturity.

(VI) For purposes of this subsection, “Beneficial Owners” shall mean actual purchasers of bonds of the Fifth Series of the Bonds whose ownership interest is evidenced only in the Book-Entry System maintained by the Depository; “Book-Entry System” shall mean a system for clearing and settlement of securities transactions among participants of a Depository (and other parties having custodial relationships with such participants) through electronic or manual book-entry changes in accounts of such participants maintained by the Depository hereunder for recording ownership of bonds of the Fifth Series of the Bonds by Beneficial Owners and transfers of ownership interests in bonds of the Fifth Series of the Bonds and “Depository” shall mean The Depository Trust Company or any successor depository designated pursuant to this Section.

c. Forms, Terms and Provisions, and Execution and Delivery, of Bond Documents. The forms, terms and provisions of the Bond Documents in substantially the forms of such of the Bond Documents (including the exhibits thereto) presented at the meeting at which this Resolution is adopted, are hereby approved, with such insertions, deletions and changes as are not inconsistent herewith and as are approved by the officers authorized to execute the Bond Documents, which approval will be conclusively demonstrated by the execution thereof, and the Chairman or Vice Chairman of the District Board, the District Manager or the District Treasurer and the District Clerk or any of such officers are hereby authorized to execute and attest and deliver, respectively, the Bond Documents.

d. Authorization to Execute and Deliver. The District Manager or the District Treasurer are hereby authorized to execute and deliver to the Bond Registrar and Paying Agent the written order of the District for the authentication and delivery of the Fifth Series of the Bonds by the Bond Registrar and Paying Agent.

e. Other Actions Necessary. The District Manager, the District Treasurer, the District Clerk and the other officers of the District shall retain consultants and counsel necessary to carry out the purposes of this Resolution and shall take all other actions necessary or reasonably required to carry out, give effect to and consummate the transactions contemplated by the Bond Documents, including without limitation, the closing and other documents required to be delivered in connection with the sale and delivery of the Fifth Series of the Bonds. (The persons who shall so take such actions shall be the persons holding such offices at the time of the initial issuance and delivery of the Fifth Series of the Bonds.)

f. Distribution of Disclosure Documents.

1. The distribution by the Underwriter of the Preliminary Official Statement is hereby authorized and directed, and the District Manager and the District

Treasurer are each hereby authorized and directed to prepare, or cause the preparation of, and to execute a “Final Official Statement” for the Fifth Series of the Bonds in substantially the form of the Preliminary Official Statement and reflecting the results of the sale of the Fifth Series of the Bonds, to be dated even date with their sale, and the distribution of such Final Official Statement by the Underwriter is hereby approved.

2. The Chairman or Vice Chairman of the District Board, the District Manager and the District Treasurer are each hereby authorized to deem the Preliminary Official Statement “final” as of its date for purposes of the Rule. In that respect, the Chairman or Vice Chairman of the District Board, the District Manager and the District Treasurer are each further authorized to modify, or authorize the modification of, the Preliminary Official Statement.

g. Tax Levy.

1. For each year while any bond of the Fifth Series of the Bonds is outstanding, the District Board shall annually levy and cause to be collected an *ad valorem* tax, at the same time and in the same manner as other taxes are levied and collected, on all taxable property in the District, sufficient, to pay debt service with respect to the Fifth Series of the Bonds when due.

2. Moneys derived from the levy of the tax provided for in this Section with respect to the Fifth Series of the Bonds when collected constitute funds to pay debt service with respect to the Fifth Series of the Bonds and shall be kept separately from other funds of the District.

3. The District Board shall make annual statements and estimates of the amount to be raised to pay debt service with respect to the Fifth Series of the Bonds. The District Board shall file the annual statements and estimates with the Clerk of the Municipality and shall publish a notice of the filing of the estimate. The District Board, on or before the date set by law for certifying the annual budget of the Municipality, shall fix, levy and assess the amounts to be raised by *ad valorem* taxes of the District and shall cause certified copies of the order to be delivered to the Board of Supervisors of Maricopa County, Arizona, and to the Department of Revenue of the State. All statutes relating to the levy and collection of State and county taxes, including the collection of delinquent taxes and sale of property for nonpayment of taxes, apply to the taxes provided for by this Section.

4. Any other general obligation or general obligation refunding bonds of the District hereafter issued will be secured on a parity basis as to the collection and application of property tax revenues of the District with the bonds of the Second Series of the Bonds, the Third Series of the Bonds, the Fourth Series of the Bonds and the Fifth Series of the Bonds, and such property taxes will be allocated to each such series of general obligation and general obligation refunding bonds in accordance with any debt service then due, taking into account other funds held by the District for such payment. Property tax revenues allocated for any such series of bonds shall be set aside separately for such series.

h. No Obligation of Municipality. Neither the full faith and credit nor the general taxing power of the Municipality is pledged to the payment of the Fifth Series of the Bonds. Nothing contained in this Resolution, the Bond Documents or any other instrument related

to the Fifth Series of the Bonds shall be construed as obligating the Municipality or as incurring a charge upon the general credit or any other credit or revenues of the Municipality nor shall the breach of any agreement contained in this Resolution, the Bond Documents or any other instrument or documents executed in connection therewith impose any charge upon the general credit or any other credit or revenues of the Municipality.

i. Appointment of Bond Registrar and Paying Agent. The District Manager and the District Treasurer are hereby authorized to appoint the Bond Registrar and Paying Agent for the purposes of the Agency Agreement as indicated in Section 3.a. hereof.

j. Use of Proceeds. The proceeds from the sale of the Fifth Series of the Bonds shall be set aside and deposited by the District Treasurer in a separate fund. The proceeds of the sale of the Fifth Series of the Bonds shall be expended only for the purposes set forth in the ballot used at the Election and in the Report and as provided in the Development Agreement.

k. Federal Tax Law Covenants.

1. As will be provided in more detail in the Certificate Relating To Federal Tax Matters relating to the Fifth Series of the Bonds to be delivered by the District in connection with the original issuance and delivery of the Fifth Series of the Bonds (hereinafter referred to as the "Tax Certificate"), there shall not be any investment or other use of the proceeds of the Fifth Series of the Bonds which would cause such bonds to be "arbitrage bonds" as that term is defined in Section 148 (or any successor provision thereto) of the Code and the Regulations, or "private activity bonds" as that term is defined in Section 141 (or any successor provision thereto) of the Code, and the requirements of such Sections of the Code and the Regulations shall be complied with throughout the term of the Fifth Series of the Bonds. Particularly, the District shall be the owner of the facilities financed with the proceeds of the sale of the Fifth Series of the Bonds (hereinafter referred to as the "Facilities") for federal income tax purposes. Except as otherwise advised in an opinion signed by Bond Counsel, the District shall not enter into (i) any management or service contract with any entity other than a governmental entity for the operation of any portion of the Facilities unless the management or service contract complies with the requirements of such authority as may control at the time or (ii) any lease or other arrangement with any entity other than a governmental entity that gives such entity special legal entitlements with respect to any portion of the Facilities. Also, the payment of principal of and interest on the Fifth Series of the Bonds shall not be guaranteed (in whole or in part) by the United States or any agency or instrumentality of the United States. The proceeds of the Fifth Series of the Bonds, or amounts treated as proceeds of the Fifth Series of the Bonds, shall not be invested (directly or indirectly) in federally insured deposits or accounts, except to the extent such proceeds (i) may be so invested for an initial temporary period until needed for the purpose for which the Fifth Series of the Bonds are being issued, (ii) may be so used in making investments of a bona fide debt service fund or (iii) may be invested in obligations issued by the United States Treasury. In consideration of the purchase and acceptance of the Fifth Series of the Bonds by the owners thereof from time to time and of retaining such exclusion and as authorized by Title 35, Chapter 3, Article 7, Arizona Revised Statutes, the appropriate officials of the District are hereby directed to take all action required to retain such exclusion and to refrain from taking any action prohibited by the Code which would adversely affect in any respect such exclusion.

2. The procedures required by any arbitrage rebate provision or separate agreement executed in connection with the issuance of the Fifth Series of the Bonds (initially those in the Tax Certificate and in the written procedures described in paragraph 5 below) shall be complied with for so long as compliance is necessary in order to maintain the exclusion from gross income for federal income tax purposes of interest on the Fifth Series of the Bonds. However, as the District Board hereby represents and warrants that (A) the District has general taxing powers, (B) the Fifth Series of the Bonds are not “private activity bonds” within the meaning of the Code, (C) 95 percent or more of the “net proceeds” of the Fifth Series of the Bonds shall be used for local governmental activities of the District, and (D) the aggregate face amount of all tax-exempt bonds or obligations (other than private activity bonds within the meaning of the Code) issued by the District during the 2025 calendar year is not reasonably expected to exceed \$5,000,000, there is presently an exception to the need for any such procedures.

3. The Fifth Series of the Bonds are designated as “qualified tax-exempt obligations” within the meaning of and pursuant to the provisions of Section 265(b) of the Code as the District Board hereby represents and warrants that the reasonably anticipated amount of “qualified tax-exempt obligations” (other than private activity bonds within the meaning of the Code) which will be issued by the District during the 2026 calendar year will not exceed \$10,000,000.

4. (i) All necessary and desirable steps to comply with the requirements hereunder in order to ensure that interest on the Fifth Series of the Bonds is excluded from gross income for federal income tax purposes under the Code shall be taken; provided, however, that compliance with any such requirement shall not be required in the event the District receives an opinion signed by Bond Counsel that either compliance with such requirement is not required to maintain the exclusion from gross income of interest on the Fifth Series of the Bonds or compliance with some other requirement will meet the requirements of the Code. In the event the District receives such an opinion, this Resolution shall be amended to conform to the requirements set forth in such opinion.

(ii) If for any reason any requirement hereunder is not complied with, all necessary and desirable steps shall be taken to correct such noncompliance within a reasonable period of time after such noncompliance is discovered or should have been discovered with the exercise of reasonable diligence, and the District shall pay any required interest or penalty under the Regulations.

5. Written procedures have been adopted to ensure that all nonqualified obligations are remediated according to the requirements under the Code and the Regulations and to monitor the requirements of Section 148 of the Code relating to arbitrage, with which the District will comply.

1. Matters Relating to Undertaking. Subject to annual appropriation to cover the costs of preparing and mailing as necessary therefor, the District shall comply with and carry out all the provisions of the Undertaking. Notwithstanding any other provision of this Resolution, failure of the District (if obligated pursuant to the Undertaking) to comply with the Undertaking shall not be considered an event of default; however, any Benefitted Owner (as such term is hereinafter defined) may take such actions as may be necessary and appropriate, including seeking specific performance by court order, to cause the District to comply with its obligations

under this Subsection. For purposes of this Subsection, “Benefitted Owner” means any person which has the power, directly or indirectly, to vote or consent with respect to, or to dispose of ownership of, any bonds of the Fifth Series of the Bonds (including persons holding such bonds through nominees, depositories or other intermediaries), or is treated as the owner of any bonds of the Fifth Series of the Bonds for federal income tax purposes.

4. Repeal of this Resolution; Severability; Effect; Inconsistencies; Effective Date; Ratification.

a. After any of the bonds of the Fifth Series of the Bonds are delivered upon receipt of payment therefor, this Resolution shall be and remain irrevocable until the bonds of the Fifth Series of the Bonds and the interest thereon shall have been fully paid, canceled and discharged.

b. If any section, paragraph, clause or provision of this Resolution shall for any reason be held to be invalid or unenforceable, the invalidity or unenforceability of such section, paragraph, clause or provision shall not affect any of the remaining provisions of this Resolution.

c. This Resolution shall constitute a contract between the District and the registered owners of the Fifth Series of the Bonds and shall not be amended in any manner which would impair, impede or lessen the rights of the registered owners of the Fifth Series of the Bonds then outstanding.

d. All resolutions or parts thereof inconsistent herewith are hereby waived to the extent only of such inconsistency.

e. This Resolution shall be effective immediately.

f. All actions of the officers and agents of the District including the District Board which conform to the purposes and intent of this Resolution and which further the issuance and sale of the Fifth Series of the Bonds as contemplated by this Resolution, whether heretofore or hereafter taken, are hereby ratified, confirmed and approved. The proper officers and agents of the District are hereby authorized and directed to do all such acts and things and to execute and deliver all such documents on behalf of the District as may be necessary to carry out the terms and intent of this Resolution.

**a. CFD RESOLUTION 1-2026 - ADOPTION OF THE ALAMAR COMMUNITY FACILITIES DISTRICT FISCAL YEAR 2027 TENTATIVE BUDGET**

The District Board considered a request to adopt CFD Resolution 1-2026, setting forth the fiscal year 2026-2027 tentative budget and authorize the Chairperson or District Manager, District Attorney and District Clerk to execute the necessary documents.

Renee Weatherless, District Treasurer, presented the Fiscal Year 2027 tentative budget for the Alamar Community Facilities District (CFD), noting that the District plans to issue bonds this year and will levy both a primary and secondary property tax totaling \$4.15 per \$100 of assessed valuation. She clarified that these taxes apply only to property owners within the CFD boundaries. The primary tax rate, capped at \$0.30, will fund the district's maintenance and operations, while the secondary tax rate of \$3.85 will be used exclusively for debt service on the planned bond issuance, generating approximately \$1.1 million.

Ms. Weather less provided an overview of FY2027 revenue sources and compared to the total budgeted expenditures. She outlined the next steps in the budget process, including public notices required in May and returning to the Alamar CFD Board on June 1, 2026, to hold public hearings on the final budget adoption, property tax adoption, and authorization of the bonds through consideration of the bond feasibility report and bond resolution.

Councilmember White asked whether residents within the district can vote on the bonds. Ms. Weatherless explained that is included with the property at the time of purchase.

Board Member Solorio moved to adopt CFD Resolution 1-2026, setting forth the fiscal year 2026-2027 tentative budget and authorize the Chairperson or District Manager, District Attorney and District Clerk to execute the necessary documents; Vice Mayor Nielson seconded the motion.

**MEETING DATE:** 6/1/2026

**FROM:** Renee Weatherless, District Treasurer

**THROUGH:** Ron Corbin, District Manager, (623) 333-1011

**REVIEWED:** Ron Corbin, District Manager, (623) 333-1011

---

**PURPOSE:**

The District Board will consider a request to adopt CFD Resolution 3-2026, approving the final budget for fiscal year 2027 (FY2027) and authorize the District Chair or District Manager and District Clerk to execute the necessary documents. The District Board will take appropriate action.

**BACKGROUND:**

The tentative budget for FY2027 was adopted on May 4, 2026. A notice of public hearing must be published at least 10 days in advance of the public hearing on the final adoption of the budget and tax levy. The public notice was published on May 9, 2026 in the Southwest Valley Republic as required by A.R.S. 48-716. A public hearing was held on June 1, 2026 to receive comment on the final District budget and tax levy. The final budget must be approved before October 1st, per A.R.S. 48-716.

**DISCUSSION:**

The FY2027 budget will set the expenditure limit for the district. Community facility districts may levy secondary property taxes to pay general obligation debt incurred by the district and to pay for the operation and maintenance expenses of the district. Per A.R.S. 48-723 the secondary property tax attributable to the repayment of general obligation debt is \$3.85 per one-hundred dollars of assessed valuation and the property tax levy attributable to fund operation and maintenance expense of the district is limited to thirty cents (\$0.30) per one-hundred dollars of assessed valuation. Based on the appraised value, the combined rate of \$4.15 per \$100 of assessed value will raise \$1,192,886 in revenue.

The recommended expenditure limit for the district is \$6,186,300. Any expenses not covered by the property tax levy or general obligation bonds will need to be covered through developer contributions. Neither the property tax levy or expenditure limit have changed between the approved tentative budget and final budget.

**BUDGET IMPACT:**

This action will set the expenditure limitation for the district for FY2027.

**RECOMMENDATION:**

Staff recommends the District Board adopt the resolution setting forth the District's final budget for FY2027.

**ITEM NUMBER:** 2.c.

---

**SUBJECT:** CFD Resolution 4-2026 - Setting the Property Tax Levy for the Fiscal Year Ending June 30, 2027

**MEETING DATE:** 6/1/2026

---

**TO:** Board Members

**FROM:** Renee Weatherless, District Treasurer

**THROUGH:** Ron Corbin, District Manager, (623) 333-1011

**REVIEWED:** Ron Corbin, District Manager, (623) 333-1011

---

**PURPOSE:**

The District Board will consider a request to adopt CFD Resolution 4-2026, levying upon the assessed valuation of the property within the Alamar Community Facilities District subject to ad valorem taxation a certain sum upon each one hundred (\$100.00) of valuation for the fiscal year ending June 30, 2027 and authorize the District Chair or District Manager and District Clerk to execute the necessary documents. The District Board will take appropriate action.

**BACKGROUND:**

As required by ARS 48-723, the property tax levy must be adopted by the District Board before the third Monday in August.

**DISCUSSION:**

Community facility districts may levy secondary property tax to pay general obligation debt incurred by the district and to pay for the operation and maintenance expenses of the district. Per ARS 48-723, the property tax attributable to the operations and maintenance expenses of the district is limited to thirty cents (\$0.30) per one hundred dollars of assessed valuation. The property tax attributable to the general obligation debt service is limited to \$3.85 per one hundred of assessed valuation.

**BUDGET IMPACT:**

The property tax levies will raise resources to support the operations and maintenance of the district and to pay for outstanding debt. This is the final step in the Alamar CFD budget process.

**RECOMMENDATION:**

Staff is requesting that the District Board adopt a resolution setting the primary property tax levy in the amount of \$86,232 at a rate of \$0.30 per \$100 of assessed valuation and the secondary property tax levy in the amount of \$1,106,654 at a rate of \$3.85 per \$100 of assessed valuation.
