Are you currently a member of any Avondale BCCs or are serving/volunteering in any capacity for a government agency? ☒ Yes ☐ No

Please provide additional information if applicable

I am a Court Appointed Special Advocate for Children for Maricopa County Superior Courts. I have been a CASA for about 18 months.

What motivated you to apply for appointed to an Avondale BCC? What qualities would you bring as a BCC member?

I have been active engaged with the Avondale Senior Center since 2015 and am passionate about the services available to that segment of our community. I am also a dedicated volunteer for anything related to improving quality of life for those who are less fortunate in our communities. I have volunteered with food banks and senior centers, as well as pediatric hospitals, for the past 20 years.

What is the most significant contribution you can make as a member of the BCC you would like to get appointed to?

I am very active in the community and connect with many families and individuals who don't often get in front of city council or leadership. As an insurance broker, I am in people's homes daily and hear their needs and wants. I have decent organizational and leadership skills, but mostly I am a tireless worker who is intelligent and willing to do whatever is needed to see our city succeed. I'm what you might call a "doer".

Please list any professional certifications, registrations or licenses:

I am a licensed Life & Health insurance broker in the states of Arizona and Washington.

I am a CASA for Maricopa County, have passed all the requisite background and lie detector tests.

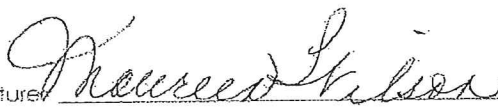

I am also a certified Master Florist....I have some fun skills with floral design that have come in handy when working with the seniors.

Is there any additional information you would like to share for the Council Subcommittee to consider?

I moved to Avondale in the summer of 1998. Since then, I have become more and more invested in my City, from serving on the architectural review committee for Garden Lakes, to becoming the HOA treasurer and events chair, to serving as a board member for the SWV Chamber and the Meals of Joy programs - I am doing my best to actively work toward the betterment of our fair city and the cities that surround us. I have been active in food distribution programs for the needy since 2012. I served as a volunteer "baby rocker" at St. Joe's for five years. My interests span all aspects of our community and I would be a tireless worker if selected.

Re: Interest in Serving on City of Avondale Judicial Selection Commission

Dear Ms. Sheehan:

I am a member of the Maricopa County Bar Association and am interested in serving on the City of Avondale's Judicial Selection panel. I am very familiar with judicial qualifications and selection criteria. I served two terms on the Arizona Commission on Appellate Court appointments where we reviewed over a hundred applications for almost fifteen vacancies, have served as both a trial and appellate judge pro tempore and have served on several State Bar of Arizona and Arizona Supreme Court commissions on judge performance review and merit selection. I am also familiar with our Bar having served as president of the St. Thomas More Society, vice president of Los Abogados and as president of the State Bar of Arizona.

Avondale's demographics and growth are very familiar. I successfully defended the City of Avondale Police Department in an alleged wrongful death lawsuit and have a circle of friends that live in and support Avondale. As my friends are good stewards of Avondale, as a lawyer I gave my clients one hundred percent of my work and loyalty. Avondale deserves a bench that is reflective of the community's values and that is respectful of every segment of society.

If selected, I assure you that I will put in the same time and work as I did when we vetted candidates for the Arizona Supreme Court. My 37 years of practicing law has exposed me to the very best judges, and I will do all I can to ensure that Avondale has the finest bench possible. Thank you for considering my interest.

Very truly yours,

RE: Avondale Judicial Selection Advisory Board

Dear MCBA,

I hereby express my interest in serving on the Avondale Judicial Selection Advisory Board.

I have served as a pro tempore Justice of the Peace in the Maricopa County Justice Courts since 2014 (having been reappointed every year since), and a pro tempore Judge of the Maricopa County Superior Court since 2017 (having been reappointed every year since). It has been my honor to serve in those judicial roles. This service has granted me perspective and experience that would benefit the Judicial Selection Advisory Board.

I also serve on the Glendale Judicial Advisory Board with a term expiring 1-31-2022.

My resume is attached, and my references are as follows:

Justice Clint Bolick
Arizona Supreme Court
cbolick@courts.az.gov
602.452.3535

Judge David B. Gass
Maricopa Superior Court
gassd@superiorcourt.maricopa.gov

Judge Richard Garcia
Mesa Municipal Court
Richard.Garcia@mesaaz.gov
480.644.2255

Judge Jennifer Perkins

602.452.6700

Judge Cecil Ash
North Mesa Justice Court
CecilAsh@mcjc.maricopa.gov

I have long believed that, when those who are charged with the duty of providing justice keep their focus on justice, only then does justice become a routine outcome. Therefore, those who bear responsibility for selecting judges must also value justice. It is for this reason that I express my interest.

Sincerely,

Michael Kielsky

Re: City of Avondale Judicial Selection Advisory Board Vacancy

Dear Ms. Sheehan:

I would be delighted to serve on the City of Avondale Judicial Selection Advisory Board. For your convenience, enclosed is my Curriculum Vitae with professional references. Also enclosed is my professional biography contained on our firm's website which summarizes my professional credentials.

I am a valley native. I grew up on the "westside" attending Trevor Browne high school. I've lived my entire life in the west valley. Also, my father and grandparents lived in the Goodyear/Avondale community since the 1940's. My father was a member of the first graduating class of Agua Fria high school. For the past 25 years, I have been a trial lawyer representing victims of catastrophic injury and death accidents. I have appeared in courts throughout nearly every County in Arizona. I have also appeared in Courts in California, Texas, Oklahoma, Louisiana, and Tennessee.

Through my litigation experiences, I've been fortunate to appear before countless Judges at the Superior Court level, U.S. District Court level, the Appellate Court level, and even Tribal Court. I am pleased to say that nearly all of the Judges I encountered were extremely professional, well-prepared, and displayed outstanding judicial temperament. I believe that my positive experiences will be helpful in the selection of Judges for the City of Avondale. I very much appreciate the opportunity to apply for a seat on the City of Avondale Judicial Selection Advisory Board.

Best Regards,

I have led and served others in the non-profit capacity here in Avondale for quite sometime. As I have seen the silos that exist between non-profits and other civic organizations, I believe I can assist by bridging that gap. As a Father of 2 daughters who are currently in elementary school and are going to be attending Avondale schools for junior high and high school. I have a vested in the success of our community for the next decade at a minimum.

What is the most significant contribution you can make as a member of the BCC you would like to get appointed to?

As a long time resident and volunteer in the community, I believe I can provide a boots on the ground perspective to our great city. Doing my part to give and live with integrity and unity.
